V4 ATG

RACE 1 — V4-1 — Auto 1640 — RANK

1 Lippi has a nice starting position and the five-year-old should have a good chance to reach the front and once there he will not be easy to beat. **2 Mustang Valley** got a run under his belt in the last race and will be sharper now. This distance is a plus and he is the main challenger to our pick. **5 Athletic Sun** scored a good win three races ago and with a similar performance, he is in the mix here. **7 Nikki B.R.** did not convince last time but can do much better than that. Normally in the mix.

RACE 2 — V4-2 — Auto 2140 — RANK

6 Lille Jallis has been at least second in eight of eleven starts. The three-year-old found the lead in the last race and has a good chance to reach that position again. Our pick. **8 Jega Bollis** has been improved towards the end and should be able to challenge despite this tricky lane. **1 Rem Sonna** has a nice starting position. Debut behind the gate and it's hard to know where she will end up. In the mix with the right journey. **7 Mjölner Desverre** does well most of the time but is mainly a place bet here.

RACE 3 — V4-3 — Auto 1640

7 Lucas Scott has two wins in a row under the saddle and seems in great shape. Should have the best chance to win in an otherwise wide open race. **3 Nathali B.R.** sprinted well in the last race. Needs a nice defensive journey and in that case she is good enough to win this. **1 Escobar Face** reached the front in the middle of the last race and won easily. Will challenge if finding an opening in time. **8 Touchtoomuch** has three runs under his belt and is starting to get closer to top form. In the mix despite this starting position.

RACE 4 — V4-4 — Auto 1640

3 Mister Mustache held strongly from the lead in the last race after a very fast opening. Should be able to reach the front again and from there he is the horse to beat. **7 G.G. Garzon** is used to face tough opposition and is now stepping down a bit in class. Barefoot is a plus. **6 Delwin Rice** is a quick starter and should reach a good position. Likes this distance and should not be overlooked. **11 G.G. Egri** maintains his nice form, but requires both quick pace and a nice journey to challenge.
