4 Porter gets the tip in this open race. He wins quite often and is our favorite for the lead together with Ole Johan Östre. **3 Kajser** is the main challenger for both the lead and the win. Never found room and had energy left in the last race and Carl Johan Jepson is looking for revenge. **11 Walking Inthe Park** is perhaps the best horse in this race. Has won five out of ten races this year and faced tougher opposition. Has a difficult lane though. **12 Maui Sun** has earned the most money this year and won a V85 race in January. However, he prefers to race in the front and has a different lane now. Should still be considered.

6 Orel Boko gets our pick. Has not trotted well towards the end but scored two good second spots in May and June and is good for this company. Good chance to find the lead after a while. Carl Johan Jepson! **7 Paleo Boko** has been trained by Robert Bergh since this summer and took his first win for him in a mediocre race last time. Tougher now but still an early choice. **8 Global F.N.P.** took a surprising win two starts back and was brave in the last race. Seems in good form and is now driven by Stefan Persson. Should be considered despite this lane. **12 Real Desire** has not been heavily backed lately but put in several nice performances. He likes to be driven by Victor S Sundgren and should not be underestimated again.

11 Look At Me Sisu gets the tip despite a tricky number. He has won four of eleven races this year and earned the most money. Is in good form and we like the Eriksson/Jepson combination. **8 Light In** made the most money last year and won for Robert Bergh in May. He is driving again and we think he will go for the front despite this lane behind the gate. Early choice. **5 Earnest** wins quite often but is without victory this year. However, he comes from two good second spots and has a clearly better starting position than our favorite duo. **4 J.S.Camaro** is consistent and good and our favorite for the lead. Good enough to be in the mix in this fairly open race.

8 Jayden de Joudes was third from the outside of the leader in the last V85 race and was really brave. Two runs under his belt now and should be on the way up. Will probably get an offensive trip despite this lane and is our winner. **5 Hydra** is our favorite for the lead and did well as second from that position in the last race. Early choice if she is allowed to dictate the pace. **7 Cabin Pressure** is one of the best horses in this race. Has not won yet this year but has two runs under his belt after a layoff and should be considered early. **9 Martimo Sjöhammar** is a stable companion to our pick. He was third in a bigger race under the saddle last time and was clearly positive. Good form and Jepson now.
