1 Lucky Gaagaa G. gets the tip in this weak race. Is the only horse who has won this year and actually twice. Finished quickly as fifth two starts back and should have a good chance. Can open fast. **5 Gentleman** finished well to a third place at Åmål two starts back and competed in a bigger race last time. Returns after a short layoff. Contender. **3 Mr Nice Advice** comes from a second place at Åmål after an inside trip. Has not won yet after 24 starts. **4 Sherri Se** has one win in 17 starts. She galloped in the final turn in her debut in Norway last time. Not reliable but possible in this company.

1 Sitje Bork was third after a gallop as a big favorite in the last race. He is not completely reliable but if he avoids a mistake he has a good chance of getting revenge here. Possible banker. **6 Brazze Blizzi** has won four out of eight races. Was fourth in a slightly bigger race last time and got a short break after that. Should be considered in this company. **9 Björnemyr Herkules** has been very consistent and good towards the end without winning. Has a bit of a tricky number here but can definitely be in the fight for victory again. **4 Flow Willy** was second in the last race ahead of our pick Sitje Bork. He is quite consistent and driven this time by Hans Christian Holm.

7 Tangen Gunn was superior from the lead in a sulky race two starts back together with Cato Antonsen. He has otherwise done well under the saddle lately and is our winner. **1 Arkimedes** has won seven of 29 races. Won comfortably from the lead in May and had the same lane then as now. Kept up the pace alright as fifth last time. Good chance from the front. **4 Rokke Faxe** doesn't win very often but finished well as third in the last race and seems in good form. Contender behind our top duo. **6 Finseth Vind** earned the most money last year and sprinted to victory at Årjäng two starts back after an inside trip. Driven this time by Eirik Höitomt.

1 Flinstones Jet returns after a very long layoff. Has raced in Denmark and won easily from the lead last time. Debut in Norway and certainly well prepared. **7 Olympic Show** comes from an easy win at Årjäng after a nice trip. Has a bit of a tricky number but with the right trip he can fight for victory again. **8 Dreamchip** scored a good win from the lead two starts back and came back really well after a mistake from the start in the last race as fourth. Good form but difficult number. New driver. **9 Excited Chip** has not won yet after six attempts but has been very consistent and good at the end. Did well despite a mistake two starts back and was second again from the pocket in the last race.
