8 Payback River has been matched in tough three-year-old races and done well. Here he steps down in class and the opposition looks much easier. **7 Capo** has shown nice resources without winning. However, this is just a coincidence as he has met very strong opposition, not least last time when he was beaten by promising Kodiak Zet. His first win could come here. **5 Very Busy** has put in several nice performances and now he is racing barefoot. **12 Xanthis Lewis** showed good pace last winter and comes from a form stable.

9 Tyson Renegade has high capacity and is very good for this type of race. Has not impressed lately, but the six-year-old owns great strength. **10 Bengt** scored a nice win two starts back but never had a real chance in the last V85-race. Nice task now. **5 Falcon** is not entirely reliable but has plenty of strength for this class when he is at his best. **7 Grace Vendil** was extremely strong as second in a heat to the Drottningpokalen. Could cause a surprise with the right trip.

2 Bazoo Can does not always trot perfectly but has the right attitude. The five-year-old got locked in with energy left in the last race and his form seems to be top notch. Nice task. **1 Sangviks Lynet** never found room last time and looked in good shape. Together with the offensive Kylin-Blom, the Bork Odin-son has earlier been successful. **7 Guli Stina** showed in the last race that her form is coming back and with a better trip this time she can defeat all. **13 Storm Ansgall** is on the way up.

8 Sign Of Times has shown good form of late and scored a good win from the lead two races ago, albeit in a slightly easier company. Linus Lönn now and an offensive trip is expected. **10 Legal Eagle Sisu** is better than the results suggest and is now making his debut for a new trainer. Tricky lane over the short distance is not optimal, but has good capacity for this field. **12 Sunshine Tooma** is one of the more consistent horses in this field and with a little luck, she should finish strongly. **4 Nightmare C. Boko** is a quick starter and prefers to run in the lead.

1 Ginevra Ek competed in a heat and final on the same day last time. The form is good and the four-year-old is used to much tougher opposition. Here she only meets mares and should have a good chance of winning. **4 Good Reads** returns after a pause, just like before the seasonal debut when she won in convincing style in a strong 1.11,5. The speed resources are very good and with the right backs along the way she will pass many at last. **5 Qulör** is strong and can do it tough and should be considered early. **2 Glory Forever** can open quickly and is in good form.

8 Tröno Borken has won seven of 14 starts this year. The five-year-old continues to develop impressively. Although the long distance is new, he has shown both strength and speed and he is as good from behind. **10 Kattelbo Elon** was a non-starter in a heat to the Derby last time. He has high capacity for this class and is an early contender over this distance. **4 Pyseidon** is in good form and this long distance is a plus. **6 Zevs** has reached the right level of late and should be considered thanks to his nice form.
