RANK

1 Karbon Brick is the least experienced horse and he and faces tough conditions money-wise but gets our pick anyway. He is a quick starter and our favorite for the lead. From there he is the horse to beat. **2 Epicure U.S.** is perhaps the best horse. He has been very consistent and good at the end and is well drawn. Early choice. **3 Promise'em** faces very nice conditions as a filly. Scored a good win in the seasonal debut two starts back but was clearly defeated last time. Got a short break. Can open fast. **9 Babish** won from the pocket in April and could get a similar trip here. He will face slightly easier horses now than at the end.

10 Hög Fara is the only three-year-old in this field and also a filly. She seems clearly talented though and has won five out of nine races. Has good speed and could get a nice start from this lane. **8 Wild Jasmine** has shown good form of late and beat several of today's opponents two starts back. One of many contenders behind our favorite. **7 Bjarte Kiro** is coming off a win and was third behind Wild Jasmine two starts back. Looking for revenge. **5 Tekno Boris** has galloped towards the end and is better than the latest results show. Faces quite tough conditions money-wise but could get a nice defensive trip from here.

RANK

9 Sensitive Tile gets the tip in this open race. He has competed a lot in the V85 lately and showed nice speed after the last gallop. Now driven by Ove A Lindqvist. Difficult lane. **8 Black Bourbon** is mainly strong and won from the outside of the leader in the last race. Has a tough post and is driven this time by Micael Melander. **2 Nightwish River** followed well as third last time and has a nice lane. Sandra Eriksson's horse wins quite often and should be considered. **3 Chocliq Bishop** was not at his best in the last race but was clearly more heavily backed than winning Black Bourbon. Won from the front two starts back. Can open fast.

4 Vibora gets our pick in this open race. Has not raced since September but is probably well prepared before this debut for a new trainer. Quick starter and our favorite for the lead. **3 Express Silvio** had to finish from far behind in the last race but could win anyway after a nice finish. Has a much better lane this time and should be considered. Ohlsson again. **5 Conrads Jessica** was third behind Express Silvio but did well from the outside of the leader. She has also got a better lane than last time. Contender. **7 Global Formidable** did well for Untersteiner but makes his debut in northern Sweden now after a long layoff. Easier opposition and possible despite this number.
