7 Fitzpatrick made a good impression in a tough company last time. He hasn't shown his full potential yet, but owns good capacity and the Father Patrick son could be on the way up. **5 Kings Wizard** has shown both talent and class. Although he faces quite tough conditions money-wise, he is improving greatly with each race. With the right backs, he finishes sharply. **1 Riffcatcher Art** set a new record in the last race and if he manages to reach the front, he could lead this all the way. **2 Nick Nack Mearas** has more to show and with two runs under his belt, the form should be improved.
