RACE 2 — V65-1 — Auto 1640

12 Feliziore galloped with energy left last time. Is good enough to pass the whole field and the filly should have the best chance to win this race. Will compete without shoes behind for the first time. **3 Mama Power** did well last time after an early gallop and is one of several contenders who can win this race. **2 Gloria Vendil** is a quick starter and the close favorite for the front and in that position both of her career wins have been scored. Leads the race for a long time. **7 Bianca** comes back after a pause and is obviously hard to predict. Place bet.

RACE 3 — V65-2 — Auto 2140

3 Who's America has been at least second in two starts. This is the debut behind the gate, but it shouldn't cause any problems and the three-year-old has a good chance of winning. **4 Pållenallergi** comes with three consecutive second spots. Mats E Djuse for the first time. In the fight for victory. **5 Cal The Pal** also makes his debut behind the gate. He has opened fast in the circular start and if he finds the lead he is the horse to beat. **8 Irwin Fas** scored a good win in the debut. Has not raced for a while after that but should be considered straight away.

7 Flying Vero can open quite fast and if he can reach the front he will be difficult to catch. Good chance of winning. **2 Global Gunsmoke** has two wins in a row. Now the opposition is a bit tougher, but the four-year-old is still one of the better horses in this race. **4 Pacefull** is strong and can do it tough. Fredrik B Larsson's horse would prefers quick pace in the front. **9 Mademoiselle** has got two runs under his belt since the break and is starting to get closer to top form. Could cause a surprise.

RACE 5 — V65-4 — Auto 2140

1 Romulus Diablo has won five of nine starts this year. Hasn't started since March but is probably well prepared. Good chance in that case. **7 My D.X.One** looked nice but got locked in last time. He had done well before and won and with a similar effort he is a contender. **5 Grey Market** is consistent. The five-year-old is used to face tough opposition and will win soon score a victory. **9 Osken** won easily from the lead in the last race. He is as good from behind and no one will be surprised if he takes a new victory.

RACE 6 — V65-5 — Auto 2140

2 Prevail'em continued to show top form after the last gallop. Has been improved for the new trainer and the mare should be considered early. **5 Global Go Bajen Go** is gifted, but has galloped a lot too. If she avoids a mistake, she has the capacity to win this race. **3 You To Awsome** got a run under the belt in the last race. Is well drawn behind the gate and should be followed. **9 N.Y.Easy On Me** is often in the mix and with the right journey, she could prove to be the strongest at the end.

9 Readly Winner got locked in last time in the V85. Going down in class now and will normally be difficult to beat. **3 Evenepoel** failed as a favorite in the last race but had shown fine form before that. Main challenger to our pick. **10 True Identity** made it to the final of Stochampionatet this summer and has done well in several starts since then. Hasn't won for a while, but is possible here. **4 Pelshin Boko** won easily at Solvalla in August and has the ability to compete for victory.
