RACE 4 — V64-1 — Auto 1640

8 Special Jog has done really well a bit behind the winner in much tougher companies. Tricky lane over the short distance but Persson's horse should have a good chance to solve this task. Our pick. **7 Cayenne Gel** was very positive when he took the lead in a mediocre race last time. Will be leading for a long time now. **5 Tanjo Lane** has done really well over tougher conditions this year. Early contender. **11 Expelled** rarely wins but was ahead of Cayenne Gel at Tingsryd recently.

5 I Let You Know will race with ear plugs for the first time now, which is definitely interesting as she is a bit slow. Our pick. **4 Darude** sprinted fast over the open stretch in the last race. He does not win very often but is going down in class now. Very early choice here. **10 Real Desire** is a stable companion. Did not convince last time but had done really well before for new trainer Dalborg. Should be considered early. **1 Winnie Brodda** has an exciting task as she is quick. Our favorite for the lead.

13 Patina di Quattro may need this run under her belt, but the mare is working well and she really stands out in this field. Our favorite. **2 Maverick Silver** has been consistent and good. Is the clear favorite for the front but has been defeated from there lately and needs to be improved. **7 Passage to India** is a nice Maharajah daughter who can do better than the results indicate. Possible but needs some racing luck. **3 Fontanaditrevi** was really positive when he won from the lead in an easier race last time.

2 Tvingens Calippo has been very good since he started competing barefoot. He is the favorite for the lead here but can also win with another journey. **8 Eyeofthetiger** is very capable but has not convinced at all this year. Drops down in class and should be considered early despite this lane. **10 Mister Smartface** is also very gifted but a bit up and down. If he is at his best he is an early choice. **3 Tactical** has done really well but now faces a completely different opposition here. Need some racing luck this time.

7 Mister Garrincha gave away the lead in the last race and finished quickly to a second spot over the open stretch. Has a good task here and gets the tip. **11 Xanthis J.R.** has made many good races this season. Can do it tough as faces easier horses here. Will probably get an offensive trip. **1 Autumn Shine L.A.** got locked in with energy left in the last race. She prefers to run in the lead but is also a contender from the pocket here. **5 Charlie T.T.** scored a good win five races ago. Should not be overlooked here.

4 Gauthier is working well according to the stable. He has not raced for a month but from a nice starting position, he is an early pick. **12 Gilmore Rice** has been a bit unlucky. Difficult starting position now but still the main challenger. **9 Money Today** has not convinced of late but also met good horses. Can do better and is well prepared. **2 Nobby Stiles** prefers to compete without a back and could find the lead here.
