2 Loke Lovebite got an inside trip in the last race and didn't really get a chance at the end. Will reach a good position and is our pick in a wide open race. **10 Cardin** is starting to get back in fine form after three runs under his belt after a layoff. In the mix. **5 Massachusetts** was not at his best last time but put in several nice efforts during the spring and if he can get back there he is a horse for the fight. **8 Abbe Av Sveden** is a quick starter and if he reaches the front he will lead the race for a long time.

2 Lyme Regis can open fast and is a close favorite for the lead. Regardless of the journey, he should have the best chance to win this race. **9 Dragon Speed D.S.** is starting to get close to top form. Despite this number he should have a good chance of being in the fight for victory. **7 Jetset River** got locked in too long in the last race and finished with some energy left. The nine-year-old is in better form than the results show and will pass most of the opposition here. **1 Ile De France** is well drawn and possible too with a perfect trip.

3 Iode De Vauville can open quickly and should be able to reach the front after a while. Good chance if he is allowed to dictate the pace. **9 Nice View C.G.** put in a strong finish in the last race and with the right trip from behind until the home stretch she can win this race. **6 Dalia Jet** has put in consistent efforts most of the time but is still without victory after 54 attempts. If she is going to win a race this is one of the better chances. **2 Bless Me** is fast behind the gate and should not be completely discounted.

6 Max Orlando kept up the pace well at the end in the last race. Strong enough to do it tough and this looks like a nice task. **8 Whitelichtrotter** met too good opposition in the last race. The mare needs some racing luck with this number eight and could be the winner then. **1 Steady One** is not a quick starter but with the right trip the horse has the capacity to be in the fight for victory. **10 Fiber Shot** has been positive of late and now it will be barefoot which is interesting.
