2 Asta Express won the comeback in a nice way, but in the last race he galloped with 500 meter to go and had energy left. Now he competes with an American bike for the first time. Good chance without a mistake. **8 Philip La Rogue** held strongly as third in the last race after a tough journey on the outside during the final lap. Will challenge for victory. **10 Corrado** won the debut and did well in the last race after a quick finish. In the mix. **6 Mellby Nasdaq** has taken both wins from the lead and has to be considered if he gets there again.

8 Medavoy came back last time after a break. Has probably made some progress and should have a good chance of winning despite this lane. **6 Global Hollywood** scored a very nice victory in the last race. Should be able to find the lead here and is a contender. **11 Rover Tooma** doesn't win very often, but is good enough in this type of race and could fight for victory. **12 Cristallo** followed well in the last race and scored a nice win before too. Has been a scratch but could be in the mix anyway.

1 Xander was heavily backed in the last race, but galloped straight away. Can open quite fast and is the close favorite for the lead - and he has shown in the past that he likes to run in the front. **11 Williamson B.B.** is matched against tough opposition and is now stepping down a bit in class. He has taken four out of five wins from the lead, but is good from behind too. In the mix. **12 Metarie** is in top form today and would benefit from high pace. **7 Running Road** has won over this distance before and can do it again.

10 Play The Music has done well of late. Now the horse will probably be driven with an American bike which is an exciting change and if it works out well he will not be easy to resist. **6 Capriolo** is a fast starter behind the gate and will probably reach the front shortly after the start. Leads the race for a long time. All the way? **5 Exile On Main St** was mediocre last time, but looked in good shape before that as locked in. Could cause a surprise. **1 Moonlite Sisú** has now got two runs under his belt after a layoff and is approaching top form.

4 Valencia came back after a pause and for a new trainer in the last race and put in a positive performance. Should have the best chance to win this race from a nice starting position. **8 Bys Rosy Nunc** is a quick starter and could take the lead despite this lane. Has four out of four from that position and has to be considered. **3 Mellby Lovely** found a late opening in the last race and had energy left. In the mix with the right trip from behind. **7 Xanthis Ibiza** won an easy race last time and is possible too with the right positions.

Our pick. **5 Julia Donatella** has two wins in a row and is also developing well. She should be considered. **7 Instant Glory** got a tough final lap last time. In the mix despite a tricky starting position. **9 Sweet Girl** scored a good win in the last race after a perfect trip. Has to be considered again.
