5 Sundbo Komet is matched a lot under the saddle and has done really well. Should have an excellent chance. **9 B.W.Rune** was very close to our pick three races ago and was only closely defeated that time. **8 Torpa Nicklas** is perhaps the horse who is most favored by this super sprint. Is a very quick starter and owns great speed. Possible, but his form is hard to predict after a layoff and change of trainer. **2 Haga Modde** has quite good speed but has not really convinced under the saddle.

He had rested for just over two months before that but is still an early choice. **10 Sigel End** did really well as second in the last race barefoot. **6 Luscious Sisu** won against easy opponents two starts back. Is a quick starter and should be able to reach a good position, maybe even the lead. Has to be considered. **5 Sphagnum Art** is still without victory so far but is much better than the results suggest.
