BREEDERS' CROWN 3 YRS OLD – C/G

SATURDAY, NOVEMBER 14 – ESKILSTUNA RACETRACK

1. COM BEST

Started his career in a very promising fashion and has developed well since he began racing barefoot all around. He has a perfect starting position and is normally among the quickest off the mark in this field.

Gender: **Gelding** Pedigree: **Tactical Landing – Best Occasion**
Trainer: **Mattias Djuse** Driver: **Magnus A Djuse**
Owner: **Väsby Häst AB**
Breeder: **Väsby Häst AB**

The dam, Best Occation, secured four wins from five starts before retiring to stud. The second dam, Opportunity, also produced Common Sense, a winner of over two million SEK.

2. NO HITTER

He is still far from the finished article and has a lot to learn but he possesses a very high level of ability. Starts from a favorable draw, he should be among the top contenders with Carl Johan Jepson.

Gender: **Stallion** Pedigree: **Gimpanzee – Nalda Nof**
Trainer: **Sabine Kagebrant** Driver: **Carl Johan Jepson**
Owner: **Stall Courant AB, Heby**
Breeder: **Courant Inc., USA**
Record time: **1.12,4am** Earnings: **SEK 879,500**
Winning percentage: **42%**
Greatest result: **Victory in Breeders' Crown semi-final**

Galloped in the first two starts of his career, yet still managed to win three of his first four outings. He demonstrated excellent speed and a great attitude; by his fourth start, he had already secured a notable victory in a Breeders' Crown race. He won a heat for the Swedish Trotting Criterium – and also won his heat for this final. His dam, Nalda Nof, earned nearly 3.7 million kronor and has produced the million-kronor earners Hell Bent For Am and Kitty Hawk.

3. KODIAK ZET

Has been the epitome of consistency; the only blemish on the record unfortunately came in the Swedish Trotting Criterium. Won its heat impressively and appears to be of exactly the right caliber.

Gender: **Gelding** Pedigree: **Father Patrick – Alaska Kronos**
Trainer: **Daniel Redén** Driver: **Örjan Kihlström**
Owner: **Stall Zet (Daniel Redén)**
Breeder: **Stall Zet AB (Daniel Redén), Örsundsbro**
Record time: **1.12,0am** Earnings: **SEK 927,250**
Winning percentage: **67%**
Greatest result: **Victory in Breeders' Crown semi-final**

He brought a fantastic record into the Swedish Trotting Criterium. He had never finished worse than second leading up to that race – but he wasn't at his absolute best and, despite being the favorite, finished well back in the field. He bounced back in the heat for this final, winning in impressive fashion. His dam, Alaska Kronos, earned three million kronor during her own racing career, including a second-place finish in the Swedish Trotting Oaks and a third-place finish in the Derbystoet. Kodiak Zet is her first offspring.

4. STEADY SPENDER

Has made steady, impressive progress, including victory in the short-distance E3. Finished second in the semi-final and will be an interesting contender with Ole Johan Östre in the sulky this time.

Gender: **Gelding** Pedigree: **Readly Express – Jumble Ås**
Trainer: **Eric Martinsson** Driver: **Ole Johan Östre**
Owner: **Lilla Edets Maskinuthyrning AB**

Record time: **1.12,5am** Earnings: **SEK 2,481,000**
Winning percentage: **43%**
Greatest result: **Victory in the short-distance E3 final**

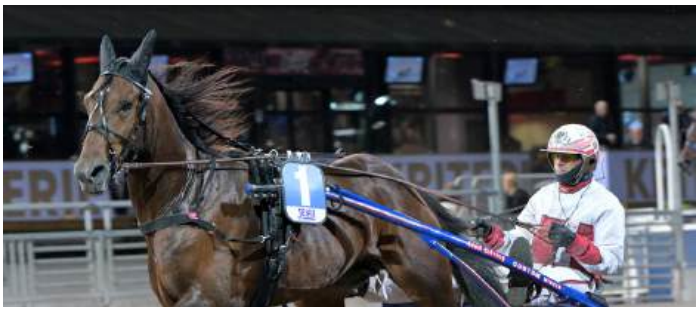

Has truly developed during the latter part of his three-year-old season. He won the short-distance E3 final, putting in a very strong performance and subsequently won a heat for the Swedish Trotting Criterium, but broke stride early in the final. He will be driven by Ole Johan Östre for the very first time. His dam, Jumble Ås, earned nearly 2.4 million SEK during her racing career; in addition to Eric Martinsson's charge, she has also produced the two-million-kronor winner and mounted-racing (monté) specialist Steady Victory.

5. CITY SLICKER

Ranked among the absolute elite of his age group as both a two- and three-year-old. Was unlucky to be boxed in during the Swedish Trotting Criterium heat, but could very well get his revenge this time around. A top contender.

Gender: **Stallion** Pedigree: **King City – Hipster**
Trainer: **Joakim Elfving** Driver: **Johan Untersteiner**
Owner: **SRF Stable**
Breeder: **AB Svensk Reklamfinans, Halmstad**
Record: **1.12,3am** Earnings: **SEK 2,924,938**
Winning percentage: **33%**
Greatest result: **Runner-up in the short-distance E3 final**

Won the Breeders' Crown for two-year-olds in only his second lifetime start. He subsequently won the major race "Svampen" in Örebro. As a three-year-old he seured podium finishes in both the long and short E3 finals. Faced a setback when trapped behind horses in his Swedish Trotting Criterium heat, he performed well to finish second in his heat for this final. His granddam, Salma Boko, had a successful racing career, earning 1.7 million kronor. This horse, trained by Joakim Elfving, is by far the best offspring of his sire, King City, to date.

6. NANDA DEVI CUT

Won the Swedish Trotting Criterium in truly impressive fashion. Two wins and two runner-up finishes in four starts with Mats E Djuse. A must-include.

Gender: **Stallion** Pedigree: **Maharajah – Himalaya Cut**
Trainer: **Mattias Djuse** Driver: **Mats E Djuse**
Owner: **S.A.R.L. Ecurie de Windcut, France**
Breeder: **S.A.R.L. Ecurie de Windcut**
Record time: **1.12,1am** Earnings: **SEK 4,474,250**
Winning percentage: **43%**
Greatest result: **Victory in Swedish Trotting Criterium**

He received his initial training in France before joining Mattias Djuse's stable late in his two-year-old season. He made two starts that same year, showing great promise. During the winter, he won two races as part of the Margareta's Early Young Horse Series, as well as a race in the Breeders' Crown series. He was raced barefoot in preparation for the Swedish Trotting Criterium , which he subsequently won in impressive fashion. His granddam produced the Elitloppet participant Gelati Cut, a winner of over six million kronor.

7. VANCOUVER TILE

The only win came in a standard race for three-year-olds, in the horse's fifth career start. Showing steady improvement, but given the risk of erratic behavior, it is unlikely to go all the way.

Gender: **Stallion** Pedigree: **Walner – Grandma Heidi**
Trainer: **Björn Goop** Driver: **Björn Goop**
Owner: **Karin Walter-Mommert, Germany**
Breeder: **Vestmarka AB, Vinninge**
Record time: **1.12,7am** Earnings: **SEK 359,750**
Winning percentage: **9%** Greatest result: **Runner-up in an elimination heat to Swedish Trotting Criterium**

It took until his fifth career start to secure his first victory. His greatest achievement to date was finishing second in a qualifier for the Swedish Trotting Criterium, though he finished unplaced in the final. His dam, Grandma Heidi, recorded a mile rate of 1:09.0 (km rate) during her racing career and earned 2.4 million SEK. Vancouver Tile is her first offspring to race. Walner has sired the Swedish-bred duo Jiggy Jog and Golden Wall Ås, as well as Lando Mearas, who is establishing himself among the elite.

8. NEUTRON STAR

Has shown great ability as both a two- and three-year-old. A terrible starting position this time. For this charge of Claes Sjöström, the primary goal is to earn some prize money.

Gender: **Stallion** Pedigree: **Gimpanzee – It's Only Love**
Trainer: **Claes Sjöström** Driver: **Claes Sjöström**
Owner: **Uppsala Handelshus AB, m fl**
Breeder: **Stall Courant AB, Heby**

Winning percentage: **28%**
Greatest result: **Runner-up in Svensk Uppfödningslöpning, 2025**

Began his career as a two-year-old and made a strong impression. Finished second behind Tanja Tooma in the Swedish Breeders' Crown (Svensk Uppfödningslöpning), earning 600,000 kronor. Galloped in the long-distance E3 final, but redeemed himself by winning the E3 Chansen over the shorter distance. Placed fourth in the Swedish Trotting Criterium. His granddam, Face'em, won the Swedish Trotting Oaks in 2014. In addition to producing Neutron Star's dam, she has also produced Never Mind'em (1,4m SEK).

9. IN THE WIND GAR

Has been highly impressive this year and has yet to finish worse than third all season. A must-include, provided things go his way from the starting position in the second tier.

Gender: **Gelding** Pedigree: **Captain Corey – Robinia**
Trainer: **Paul Hagoort** Driver: **Robin Bakker**
Owner: **Dragon Trotters B.V., Netherlands**
Breeder: **Allevamento Garigliano S.R.L., Italy**
Record: **1.11,6am** Earnings: **SEK 1,787,232**
Winning percentage: **15%**
Greatest result: **Runner-up in the long-distance E3 final**

Started four times as a two-year-old, but showed signs of inexperience, breaking into a gallop in three of those races. Returned to competition in April as a three years-old and broke its maiden immediately. Followed up with a win in a Breeders' Crown event, and subsequently finished second in the Treåringseliten during the Elitloppet weekend. It also secured podium finishes in both the long and short E3 finals. The maternal line is very old, yet solid; the great-great-grandmother, Pure Gold, was born in 1972!

10. INTRO

Has been a horse to watch throughout its entire career. Has performed well almost every time. Fredrik Plassen is in the sulky for the first time. Primarily a contender for a place finish.

Gender: **Stallion** Pedigree: **Readly Express – Aria**
Trainer: **Björn Röcklinger** Driver: **Fredrik Plassen**
Owner: **Hypnotic AB, Järfälla**
Breeder: **Annemanna AB, Ekerö**
Record time: **1.11,8am** Earnings: **SEK 1,437,250**
Winning percentage: **30%**
Greatest result: **3rd place in the Swedish Trotting Criterium**

He began his career with two consecutive victories, clocking 1:13.8a over 2,140 meters as early as his second start. In late July, he won a race that was part of the Breeders' Crown series and later qualified for the Swedish Trotting Criterium. He finished third in the final. His granddam, Clear As A Bell, never raced, but she proved highly successful as a broodmare. Her six offspring earned a combined total of 14 million kronor—with Timo Nurmos's Brother Bill and Robert Bergh's Timbal standing out as the most notable.

11. MISTER NABAB

Has had incredibly poor starting positions lately, and this time is no exception. Possesses good ability and form, but Daniel Wäjersten will need a lot of things to go his way to be a factor here.

Gender: **Stallion** Pedigree: **Mister J.P. –Tigresse du Vivier**
Trainer: **Daniel Wäjersten** Driver: **Daniel Wäjersten**
Owner: **Ecurie Jean-Pierre Barjon, France**
Breeder: **Haras de la Source et des Chenes, France**
Record time: **1.11,8am** Earnings: **SEK 889,000**
Winning percentage: **31%**
Greatest result: **Victory in Höstfavoriten (Autumn favorite)**

Secured three victories as a two-year-old, including a win in a race that was part of the Norrland Elite Series. He took some time to find his stride this season, but has hit his best form during the autumn – aided significantly by racing barefoot. He won the Höstfavoriten at Solvalla, and in his very next start, he qualified for the Swedish Trotting Criterium, where he finished sixth. He comes from a very strong maternal line; his dam, Tigresse du Vivier, earned over five million SEK. She has also produced the 1:10-miler Great Tigress.

12. IN FINE FETTLE

Has performed quite capably throughout its career. Faces the toughest challenge of its life so far here, and also has a terrible starting position. The primary goal, together with Marcus Lilius, will be to secure some prize money.

Gender: **Gelding** Pedigree: **From Above –Bushy Tails**
Trainer: **Daniel Wäjersten** Driver: **Marcus Lilius**
Owner: **Caro Tibor, Njurunda**
Breeder: **Menhammar Stuteri AB, Ekerö**
Record time: **1.12,1am** Earnings: **SEK 566,000**
Winning percentage: **27%**
Greatest result: **Runner-up in E3 Chansen**

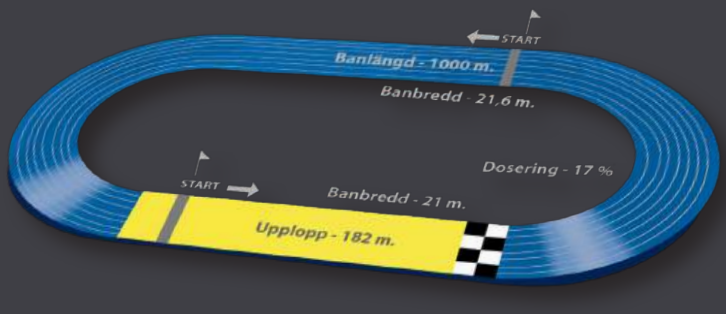

Has performed quite well so far in his career. He secured his first victory in his second career start and has continued to develop since then. In July, he won the Dalatravet Rättvik Three-Year-Old Prize and followed this up with a second-place finish in the E3 Chansen—a result that earned the horse his largest paycheck to date: 112,500 kronor. He qualified for the final by finishing fourth. He is one of 22 Swedish-bred offspring of From Above born in 2023—the final "sizable" crop from this breeding giant.

1. THAI MEDINA

She performs well every time, and despite only finishing second in her heat, she has drawn the inside post. With her excellent attitude and speed, she should be right in the mix. Goop is suspended—but is permitted to drive here in the final.

Gender: **Mare** Pedigree: **Face Time Bourbon – Gematria**
Trainer: **Björn Goop** Driver: **Björn Goop**

A sister to the winning machine Bold Eagle Sun, who has competed successfully for the Gundersen family. Her dam, Gematria, raced for Frode Hamre and earned nearly one million SEK. Only La Yuca and Screen Time Limit have earned more money than Thai Medina among the Swedish-bred daughters of Face Time Bourbon.

2. I SEE TAIL LIGHTS

Going from strength to strength. Won its heat in impressive fashion. Quick off the mark, so it should secure a good position. Definitely a contender, with the trainer back in the sulky.

Gender: **Mare** Pedigree: **Maharajah – Wroom Wroom**
Trainer: **Markus B Svedberg** Driver: **Markus B Svedberg**
Owner: **Olof Brodin (Chartering) AB, Sollentuna**

Her dam, Wroom Wroom, has also produced the millionaire Full Speed Forward, who is a full sister to this filly.

3. ZEEBREEZE

Performing very well and won the Swedish Trotting Oaks in her penultimate start. Undefeated when racing barefoot. She has a perfect starting position and must be considered a strong contender for Mats E. Djuse, with whom she has a record of 4 wins in 5 starts.

Gender: **Mare** Pedigree: **Gimpanzee – Caddie Lisieux**
Trainer: **Daniel Wäjersten** Driver: **Mats E Djuse**
Owner: **SRF Stable**
Breeder: **AB Svensk Reklamfinans, Halmstad**
Record time: **1.11,8am** Earnings: **SEK 2,955,500**

She won a Breeders' Crown race in Boden, followed by a victory in the Swedish Trotting Oaks. Her dam, Caddie Lisieux, won the Stosprintern. Her granddam is Caddie Dream, who also produced none other than Readly Express. Zeebreeze is currently the top Swedish-bred offspring of the sire Gimpanzee.

4. GRACE IN HEAVEN

Has performed very well under the care of Daniel Wäjersten. Has been a bit keen at times, but shows good speed. The trainer's pick for this race. Should not be overlooked, even though the competition is getting tougher.

Gender: **Mare** Pedigree: **Chapter Seven – Oblivion**
Trainer: **Daniel Wäjersten** Driver: **Daniel Wäjersten**
Owner: **Emida Holding AB, m fl**
Breeder: **Kenneth Kjellgren, Österskär**

Began her career with Marcus Melander, where she performed quite respectably without ever truly blossoming showing speed but was also prone to breaking stride at critical moments. She moved to Sweden to join Daniel Wäjersten's stable. It has taken some time, but she has steadily improved. Won two Breeders' Crown-races and emerged victorious in her semi-final. Her dam, Oblivion, was herself a talented racehorse under the care of Reijo Liljendahl.

BREEDERS' CROWN 3 YRS OLD – MARES

SATURDAY, NOVEMBER 14 – ESKILSTUNA RACETRACK

5. MELLBY ORKIDE

She has truly taken exactly the right steps during the latter part of the season. She has shown that she is capable of doing some of the work herself along the way. This is her toughest assignment so far.

Gender: **Mare** Pedigree: **Calgary Games – Feed Your Head**
Trainer: **Daniel Redén** Driver: **Magnus A Djuse**
Owner: **Mellby Gård AB, Malmö**
Breeder: **Mellby Gård AB, Malmö**

Her dam, Feed Your Head, competed successfully in the U.S. under the care of Jimmy Takter, earning over 2.3 million SEK. The maternal pedigree is exceptionally strong; her great-granddam, Foreign Waters, produced the stallion Toss Out, who was himself a millionaire (in USD) on the racetrack.

6. WENDY

Hasn't put a foot wrong so far. Still inexperienced, but showing significant development. Solid in every respect. An exciting prospect with Mika Forss in the sulky.

Gender: **Mare** Pedigree: **Readly Express – Ovation L.A.**

Although the horse has not made many starts, it has demonstrated a fantastic attitude and great toughness. The dam, Ovation L.A., did not earn a particularly large sum of money, but she won quite a few races. Readly Express needs no introduction. Mika Forss has previously enjoyed significant success in the Breeders' Crown.

7. HAWTHORNE EFFECT

Put in a solid performance and stayed in contention well to finish third in her heat. There is a risk of a difficult trip here, but if things go her way, the mare could take home a nice prize.

8. ARIZONA TROT

Owner: **Åke Lindblom Stable AB, m fl**

Her sire, Calgary Games, has his first crop of offspring arriving in 2023.

10. CRUISER

She was the queen of her crop, until health issues began to cause trouble. She has made a strong comeback and possesses tremendous speed. No one in this field is safe if she performs at her best.

Her dam, Ursel Gio, also produced the highly talented Gio Barosso, who is trained by Timo Nurmos. Her second dam, May Glade Font S.M., is the dam of the world-class star Zacon Gio.

12. GLOBAL HALO

She has impressed throughout her career and has proven that she belongs among the very best of her generation. Her starting position dampens expectations here.

The horse comes off an impressive victory and from this lane he is one of the favorites.

3. EJNAR FACE

Finished second in his semi-final behind Zarex but followed well from the lead. Has an excellent lane in this final and is very fast behind the gate. Possible if is allowed to dictate the pace.

This year the horse made his first start in July, but was then second in a Derby heat behind Zarex (galloped in the final). The same Zarex was also too strong last time in the semi-final, but he still got an excellent number in this final. He is fast and will go for the lead.

4. ZAREX

Sprinted nicely to victory in the semi-final and beat leading Ejnar Face. Is one of the better horses of his year and was the favorite in the Derby. Chases revenge and should have a good chance.

This year he won a heat to the Kungapokalen, finished second in Prix Calgary Games and then won Fyraåringstestet at today's track. After his trial win he was favorite in the Derby final where he finished fourth. He is chasing revenge here.

5. GAP KRONOS

Took over the lead after 650 meter in the semi-final but got defeated by Cold Blaze at the end. Successful in the US but has made four starts in Sweden without winning. Örjan Kihlström now.

Trained since this summer by Daniel Wäjersten and has now made four starts for the Bergsåker trainer. Still winless, but comes off a second place in the semi-final and should be on the way up. Should not be overlooked here.

6. GUMSHOE SOX

Another horse trained by Daniel Wäjersten. Took the lead in his semi-final last time but got defeated by Recycle Cash at the end. Has developed this year and been improved a lot barefoot.

Was second from the lead in his semi-final behind Recycle Cash and is looking for revenge now.

7. DON GAAGAA

Made it surprisingly to the final after a nice trip from the pocket in the semi-final. Has a trickier lane in this final and should find it tough to be in the mix this time. Ole Johan Östre drives.

Gender: **Gelding** Pedigree: **Googoo Gaagaa – Sonia's Dream**
Trainer: **Ulf Stenströmer** Driver: **Ole Johan Östre**
Owner: **Sign Design Väst AB**
Breeder: **Sign Design Väst AB & Pia Ivehag**

Greatest result: **Runner-up in an Class I-race, 2026**

Has been trained by Ulf Stenströmer all along and started with two straight victories. Won two more races as a three-year-old in November and December. Has been fairly consistent and good this year as a four-year-old and put in good efforts in the V85. Best result came in a Class I race at Jägersro in September where he was second. He was fourth after a nice trip in the semi-final, but will likely get a tougher journey this time. Tough task.

8. JONTE GODIVA

Was fourth in his semi-final behind Zarex among others after a solid finish from far behind. Has once again a difficult number and needs plenty of luck to be in the fight for victory.

Gender: **Stallion** Pedigree: **Who's Who – Darling Godiva**
Trainer: **Markus Pihlström** Driver: **Ulf Ohlsson**
Owner: **Tie HB**
Breeder: **Godiva AB, Bjärred**

Winning percentage: **27%**
Greatest result: **Victory in Orklas race, 2026**

Has been trained by Markus Pihlström at Bergsåker all along. Started as a three-year-old and took two wins and two second places in the first five starts. Did not impress the rest of the season, but this year he has been improved. He won Orklas lopp in Norway and Ragnar Thorngrens Minne at Åby. He also won two Breeders' Crown races at Gävle and Solvalla and was second behind Zarex in the Fyraåringstestet at today's track Eskilstuna.

9. RAPHAEL

Has earned the least money in this field. Got an inside trip in the semi-final and never found room, and had plenty of energy left. Could get a similar run here and is a big outsider.

Gender: **Gelding** Pedigree: **Mosaique Face – Staro Borderline**
Trainer: **Fredrik Wallin** Driver: **Rikard N Skoglund**
Owner: **Easy KB**
Breeder: **Mårten Bergström, Visby**
Record: **1.11,5am** Earnings: **SEK 568,150**
Winning percentage: **16%**
Greatest result: **Victory in a Class II-race, 2026**

Has been trained by Fredrik Wallin at Gävle all along. Did not make much noise as a three-year-old, winning two out of twelve races that season. Has been improved this year, winning a Class II-race at Vaggeryd in June. Has taken two wins this season and making this final is clearly a surprise. He actually had plenty of energy left after a trip along the rail and should be able to get a similar trip here. Perhaps a major outsider.

10. JOKER IMA

Has flown under the radar but possesses solid ability. In his trial he found room very late behind Zarex after an inside trip. Difficult to get a similar trip from here, but could surprise.

Gender: **Gelding** Pedigree: **Bold Eagle – Evening Prayer**
Trainer: **Peter G Norman** Driver: **Peter G Norman**
Owner: **NeGo Sverige AB, Uppsala**
Breeder: **Ingemar Alin, Ljusdal**
Record time: **1.11,5am** Earnings: **SEK 881,000**
Winning percentage: **13%**
Greatest result: **Victory in a three-year-old race at Solvalla, 2025**

Has been trained by Peter G Norman all along. Started as a three-year-old, but it took until the ninth start before securing his first win. In October he won a three-year-old race at Solvalla with 100 000 SEK to the winner. As a four-year-old he has taken two wins in 13 starts and was also second in the amateur race K.G.Bertmarks Minne at Jägersro. Had energy left in his semi-final behind Zarex after a late opening. Needs racing luck from this lane.

11. SVEN KUCE

Is one of the best horses in the race, but finished only third in his semi-final and has therefore drawn a tricky post. Can finish very strongly and hopes for quick pace. Should be considered early.

Gender: **Gelding** Pedigree: **Readly Express – Drillbit Ås**
Trainer: **Thomas Madsen** Driver: **Gustav Johansson**
Owner: **Stall Sven Kuce Asap**
Breeder: **Curt-Olof & Cecilia Dahl**
Record time: **1.11,0am** Earnings: **SEK 958,250**
Winning percentage: **39%**
Greatest result: **Victory in a Margareta race, 2026**

Has been trained by Thomas Madsen at Kalmar all along. Won his debut at Karlshamn and then took four more second places as a three-year-old. His breakthrough has come this season, taking six wins in eleven starts and belonging to the top of his year. He won a heat to the Kungapokalen, a Margareta race, and a Breeders' Crown race. Galloped in a Derby heat but seeks revenge now. Should not be discounted despite this number.

12. LUGANO CORTINA

The German Derby third-place finisher followed well after a tough trip in the trial and came in fourth behind Recycle Cash. Has a very difficult lane and the goal is likely to earn decent money.

Gender: **Stallion** Pedigree: **Green Manalishi – Principessacortina**
Trainer: **Björn Goop** Driver: **Björn Goop**
Owner: **Cortina Wewering AB, Karlstad**
Breeder: **Sonja Wewering, Tyskland**
Record time: **1.11,8am** Earnings: **SEK 649,125**
Winning percentage: **20%**
Greatest result: **3rd in German Trotting Derby, 2026**

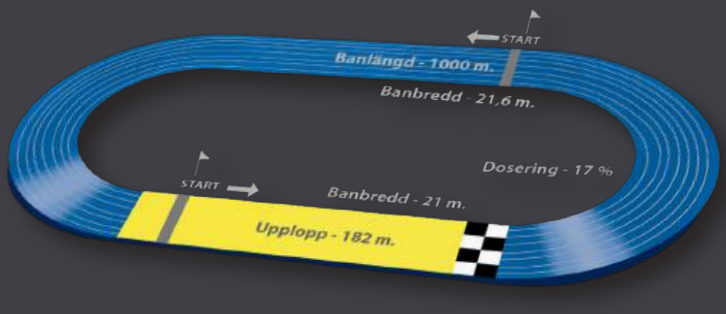

German-bred but has been trained by Björn Goop in Sweden all along. Made only four starts as a three-year-old and won two of them. This year the horse has started eleven times with his sole win coming in an ordinary race at Axevalla. In August the horse made it to the German Derby where he finished third behind top horses Fragolino Rosso and Blizzard Diamant. Followed well as fourth in the semi-final last time, but faces a very tough task from here.

SATURDAY, NOVEMBER 14 – ESKILSTUNA RACETRACK

1. JIOVANHA FALKONE

Finished strongly in the semi-final to a second spot behind Chamberi. Has an excellent lane and should get a nice trip from here. An early contender behind the presumed heavy favorite.

Gender: **Mare** Pedigree: **Don Fanucci Zet – Kid Gloves**
Trainer: **Daniel Redén** Driver: **Örjan Kihlström**
Owner: **Stall Zet**
Breeder: **Ulf Lindström, Luleå**

Winning percentage: **15%**
Greatest result: **3rd in the Swedish Derby final for mares, 2026**

Has been trained by Daniel Redén all along. Did not stand out particularly as a three-year-old. She won two out of nine races and earned nearly 200 000 SEK. This season she has been improved. She won an elimination heat to Stochampionatet and finished sixth in the final. In September she was third in Derbystoet behind Meditate and Nyharajah. She comes off a second-place finish behind Chamberi, who will likely be the big favorite in this final.

2. MILADY JOSSELYN

Finished nicely to an easy victory in the semi-final and has got a nice number here. Not a very quick starter but will reach a good position right away and should be in the mix behind Chamberi.

Gender: **Mare** Pedigree: **Ready Cash – Uza Josselyn**
Trainer: **Lutfi Kolgjini** Driver: **Dante Kolgjini**
Owner: **Lutfi Kolgjini AB, Veberöd**
Breeder: **S.C.E.A. Ecurie Bernard Yvan, m fl**
Record time: **1.11,1am** Earnings: **SEK 1,862,398**
Winning percentage: **32%**
Greatest result: **3rd in Drottning Silvias Pokal, 2026**

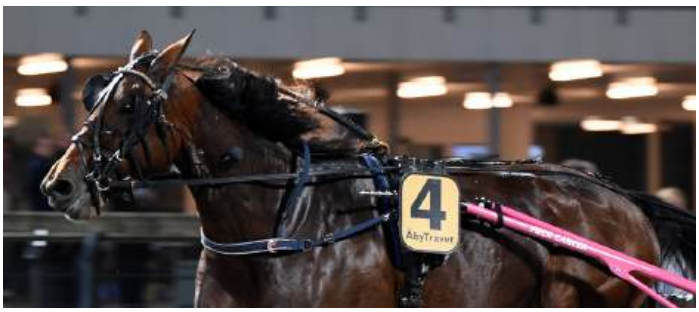

She has been trained by both Adrian and Lutfi Kolgjini so far. As a three-year-old she won two out of ten races and earned nearly 200 000 SEK. This year she has been impressive, winning several elimination heats: Drottning Silvias Pokal (third in the final), Stosprintern, Stochampionatet (fourth in the final), and also the European Derby against stallions and geldings. She comes off a victory in the semi-final and is among the favorites behind Chamberi.

3. LOVE TO THE LIMIT

Björn Goop's choice. Won from first-over in her semi-final and showed great strength. Can do it tough, but has also a nice starting position. Early candidate behind the favorite.

Gender: **Mare** Pedigree: **Bold Eagle – Scullys Girl**
Trainer: **Björn Goop** Driver: **Björn Goop**
Owner: **Stall FG – Ofcourse**
Breeder: **Mike Lenders, France**
Record time: **1.11,3am** Earnings: **SEK 2,288,800**
Winning percentage: **22%**
Greatest result: **Runner-up in the short-distance E3 final, 2025**

She has been trained by Björn Goop all along. Made three starts as a two-year-old without winning, but as a three-year-old she took three wins and earned 1.3 million SEK. Just over half of this sum came via a second-place finish in the short E3. She also won a major three-year-old race at Solvalla. This year she was a runner-up in a Margareta race in May and won an elimination heat to Stochampionatet (unplaced in the final). Lately she has won two straight Breeders' Crown races, both from first-over.

4. CHAMBERI

Has won as many as eight out of nine races and made a huge impression in her semi-final. Very talented, and if she lives up to her capacity she will be hard to beat. The heavy favorite.

Gender: **Mare** Pedigree: **Readly Express – Railin**
Trainer: **Timo Nurmos** Driver: **Magnus A Djuse**
Owner: **Stall Timo Nurmos AB, Tullinge**
Breeder: **Stall Timo Nurmos AB**

Winning percentage: **89%**
Greatest result: **Victory in Breeders' Crown semi-final, 2026**

She has been trained by Timo Nurmos all along and as a three-year-old she took three straight wins in easier races before finishing fourth in an elimination heat to Oaks. She then had a break of nearly a year, but has returned in magnificent style. She comes into this with five straight wins and has looked brilliant. Two starts back she won a Breeders' Crown race at Bergsåker and last time she impressed greatly in her semi-final. Hard to beat.

BREEDERS' CROWN 4 YRS OLD – MARES

SATURDAY, NOVEMBER 14 – ESKILSTUNA RACETRACK

5. TIME TO RUN

Claes Sjöström's choice. Finished well to a second spot in her semi-final but could not match Love to the Limit. Has a good starting position and with the right trip she can be in the mix there.

Gender: **Mare** Pedigree: **Who's Who – Turboline**
Trainer: **Claes Sjöström** Driver: **Claes Sjöström**
Owner: **Stall Caroline Jansson AB, Vallentuna**
Breeder: **Caroline Jansson**
Record: **1.12,1am** Earnings: **SEK 986,500**
Winning percentage: **19%**
Greatest result: **Victory in E3 Chansen, 2025**

She has been trained by Claes Sjöström all along and made four starts as a two-year-old, winning two of them. She was quite successful last year as a three-year-old, winning three out of 13 races and earning nearly 650 000 SEK. The biggest win came in E3 Chansen at Örebro. This year the horse is still winless after ten attempts, but her finish last time as second in the semi-final was clearly good. Will find it tough to win, but can earn solid prize money.

6. JACQUELINE ZET

The second contribution for Solvalla's Daniel Redén. Did well as a runner-up in her semi-final, but was never really close to winning Milady Josselyn. Driven this time by Carl Johan Jepson.

Gender: **Mare** Pedigree: **Googoo Gaagaa – Shaqline**
Trainer: **Daniel Redén** Driver: **Carl Johan Jepson**
Owner: **Stall Zet**
Breeder: **Stall Zet AB**
Record time: **1.12,0am** Earnings: **SEK 1,440,500**
Winning percentage: **12%**
Greatest result: **Runner-up in Drottning Silvias Pokal, 2026**

As a half-sister to the famous Francesco Zet, she has had all eyes on her continuously. Naturally, she will never reach the level of her half-brother, but she has done well nevertheless. As a three-year-old she won two out of nine races and this season she has already earned over one million SEK. Most of that amount was earned by finishing second in Drottning Silvias Pokal. She was also second in the last semi-final. Daniel Redén also has Jiovanha Falkone in this final.

7. NYHARAJAH

Found the lead as usual in her semi-final and held on well for third, but couldn't withstand Chamberi. Very fast behind the gate and will likely get an offensive start despite this number.

Gender: **Mare** Pedigree: **Maharajah – Quitty Tilly**
Trainer: **Henrik Nygren** Driver: **Thomas Dalborg**
Owner: **Nygårdens Stuteri & Veterinär AB**
Breeder: **Cecilia & Henrik Nyberg**
Record time: **1.11,9am** Earnings: **SEK 1,513,500**
Winning percentage: **14%**
Greatest result: **Runner-up in Swedish Derby final for mares, 2026**

The only horse trained by an amateur, namely Henrik Nygren at Axevalla. The horse started racing last season as a three-year-old but didn't win a single race in eight starts. This year she has taken three wins and earned nearly 1.4 million SEK. Over half of that was earned by finishing second in Derbystoet behind Meditate. She also won an elimination heat to that race. The horse is very fast behind the gate and always a factor in the battle for the lead.

8. PREPOSTEROUS

Has earned the least money in this race. Was a big outsider in her semi-final but managed to advance to this final after an inside trip and an acceptable finish behind Love to the Limit.

Gender: **Mare** Pedigree: **Don Fanucci Zet – Swiss Account**
Trainer: **Johan Untersteiner** Driver: **Johan Untersteiner**
Owner: **Hjelte Restaurang AB**
Breeder: **Östen Carlsson, Stockholm**
Record time: **1.12,2am** Earnings: **SEK 429,000**
Winning percentage: **45%**
Greatest result: **Victory in a Class III-race, 2026**

Has been trained by Johan Untersteiner at Halmstad all along. Made only two starts as a three-year-old and won her debut. This year she started with four straight victories and won a Class III-race at her home track Halmstad. Has been fairly consistent since without winning and comes off a fourth place in her semi-final. Has therefore got a very poor number and will normally find it tough to be in the mix.

BREEDERS' CROWN 4 YRS OLD – MARES

SATURDAY, NOVEMBER 14 – ESKILSTUNA RACETRACK

9. TIMOTEJS ONLINE

Björn Goop's second candidate in this final. Got an offensive trip in her semi-final but followed well from the lead to finish third behind Milady Josselyn. Driven this time by Per Linderoth.

Gender: **Mare** Pedigree: **Face Time Bourbon – Timotejs Diva**
Trainer: **Björn Goop** Driver: **Per Linderoth**
Owner: **Karin Walter-Mommert**

Has been trained by Björn Goop all along and was clearly successful as a three-year-old last year. She won four out of eleven races and earned just over 700 000 SEK. She won an elimination heat to Oaks (unplaced in the final) and was second in a Margareta race. She also won a major three-year-old race at Halmstad. This year she is still winless, but her third place in the semi-final last time was a step in the right direction. Could get a nice trip from here.

10. DRAG RACING

Got a tough opening in her semi-final but finished really well to a third spot once she found room and thus surprisingly advanced to this final. Here she is mostly chasing nice prize money.

Gender: **Mare** Pedigree: **Amaru Boko – Up Front Lady**
Trainer: **Jan Hellstedt** Driver: **Jenny Brunzell**
Owner: **Jan Hellstedt**
Breeder: **Stall Gustafsberg AB, Västervik**

She started for Conny Cederberg at Kalmar where she made one start as a two-year-old (fourth at Visby). She was then moved to her current trainer: Jan Hellstedt at Mantorp. The horse hasn't competed in the major races but has been fairly consistent, earning just over 300 000 SEK as both a three- and four-year-old. Did clearly well as third in her semi-final last time and is a positive surprise in this final. Will find it tough to win though.

11. GLOBAL GOT IT ALL

Gender: **Mare** Pedigree: **Walner – Differenceadaymade**
