4 Young Danne was of course favoured by a fast first lap last time, but he looked really nice too. The seven-year-old has been improved for Redén and is in top form today. This long distance is an advantage. **2 Lookin At Lucky** is Wäjersten's choice out of two. However, the five-year-old has not impressed so far for the new trainer. Can open fast and is strong. **6 Conrads Åke** has been phenomenal this year and never gave in a Silver race last time. Top form! **1 Arn Silvio** can open fast and likes to be driven by Ohlsson.

4 Courage d'Inverne has been matched in tough races lately and most recently he faced both Po Tay Toes and Kodiak Zet. Much easier now and could find an early lead with Mats E Djuse. Once there he'll be difficult to catch. **2 Win Wood** has shown good capacity for this class. Early choice without a mistake. **8 Kipling River** is good for this type of race and should be on the way up. **11 Trooper** has an interesting starting position and is working well.

5 Miss Brighton has found the lead after a bit in all starts and won. The opposition is getting tougher as time goes on, but so far she has not shown her full potential and she should have top chance to score a new victory here. **9 About Time Trot** has got nice journeys so far, but has finished strongly every time, most recently in a nice time. **11 Mellby Ouzo** has been improved and scored a good win in the last race. Tough number. **7 Golden Charly** is in on the way up and will compete barefoot for the first time.

3 Grisle Kongen G.L. prefers to attack from behind where he can use his sharp speed, but showed last time that he has also developed when he got a tough journey. Is working well and likes to race at at Bergsåker. **10 Skeie Balder** is used to competing in tougher competition and is going down a bit in class here. His form is good and he can handle all types of trip. **6 Grim** has shown consistent and good form and comes from a strong performance. Barefoot behind is a plus. **5 Guli Hektor** faces very nice conditions and tight starts could be an advantage.

2 Meydan Silver was heavily backed in the V85 last time and lived up to the high expectations. Faces easier opposition now and is the favorite for the lead. Our pick. **6 Florenzo** is on the way up for Redén and did well in a Derby heat a bit behind the winner. Should be improved by that run and the four-year-old can do it tough. **7 Monte Rei** was clearly improved when he put in a strong final lap in the last race. Fine form. **4 Secret Bo** is very capable and he makes his debut for a new trainer as a gelding.

1 Prop Line W comes from a similar race and got locked in behind the leader. Had plenty of energy left over the finish and the impression was top notch. Number one is nice at Bergsåker and if they manage to hold the lead this time, the chance of victory is very good. **12 Com Isidor** was really sharp in his comeback in a 12-time over the full distance. Owns high capacity and with the right trip he can defeat all. **6 Fashionable Dance** goes for the front where all six wins have been taken. **11 Il Capitano Mearas** was strong in the last race and should be even sharper now.
