12 Global Gratitude scored a good win in the last race and looks to be in top form with two runs under his belt after a layoff. Should have a good chance of winning. **3 Hybrida** owns high capacity, but is a bit up and down. Good number and if she can reach the front, her chances will increase. **8 Kentucky Shadow** scored a nice win last time and is good for this type of race. **9 Pontiac Renka** prefers a trip from behind, which this lane should provide. Djuse for the first time is always interesting.

6 Xanthis Joojoo is used to tough opposition. Debut for a new trainer now - which is exciting. In the fight for victory. **8 Kohkahycumest** is consistent but doesn't win very often. He is one of the better horses in this race and will normally be in the mix. **3 Arizona Trot** has a nice starting position and if the mare is at her best she could be the winner here. **10 Nat King Cole** did well in the last race after a layoff. Improved by that run under his belt and could surprise despite this post.

8 The Pope is back after a short layoff. He has been matched against tough opposition towards the end and is now going down in class. Good chance. **3 Panne De Mi B.T.B.** is a quick starter and goes for the front and from that position both wins have been scored. Leads the race for a long time. **4 Xanthis Knopfler** has two runs under his belt and is starting to get close to top form. Good number and high pace in the lead will benefit the four-year-old. **7 Leading Rain** has a lot of potential but is hard to predict today. Early contender if well prepared.
