4 Andiamo won the V85 only a week and a half ago and did really well when he beat the big favorite Readly Brodde. Good chance! **11 Judge D.** is the best horse in general, but didn't show anything special in the last race. **5 Raven** tried to get past Andiamo from the start last time but was unsuccessful. **7 Highlight Bogeyman** impressed when he won in a 10-time during the Finlandia Ajo-day this spring. Hasn't convinced since then though.

2 Torgny started his career very promisingly with four wins in a row but has not convinced since then. Comeback now and certainly well prepared. **6 Mellby Ouzo** has raced outside of the leader in the last two starts and shown good pace. **10 Longstreet** finished nicely in the last race a bit behind the leader and is developing very well. He is disadvantaged by this lane. **7 Cargo** beat Longstreet in the last race and is on the way up too.

6 Excusez Moi was a very capable horse for Timo Nurmos. Nice in the last race but got locked in. Good chance. **5 Robin Hood C.A.** is up and down but faces easier opposition here and Ohlsson is the best driver in this field. **11 Adde S.H.** is still good as an 11-year-old and has scored two wins in the last three starts. Contender with the right journey. **7 Ja Ba Da Ba Doooo** faces tough conditions money-wise but is one of few horses in this field who is still developing.

Has to attack from behind now. **11 Epicure U.S.** has made good efforts recently against tough horses. Is good enough but the three-year-old filly has got a difficult starting position. **10 Babish** is a good horse for this class. Did well last time and might be on the way up again.
