2 King Kong D.K. has more second places than wins but still gets our pick here. Finished well last time and the only win of the year came together with Mats E Djuse. Quick starter and our close favorite for the lead. **7 Hallabaloo** was not empty when he galloped in a tight situation in the final turn last time. Had taken two nice wins before that with Fredrik Plassen. Has to be considered despite this lane. **3 The Hustler** is also good for this class and has a nice number. Early choice. **4 Perfect Gentleman** got locked in with energy left two starts back and scored a good win both before and after. Top form.

4 Frans Avant has started with three consecutive second places and done really well. Has opened fast with the circular start and is our favorite for the lead in this debut behind the gate. Very good chance to win from the lead. **8 Feeling Broline** has a poor lane and is still without victory. Seems in good form though and likes to be driven by Fredrik Plassen. **10 Welland Bro** was good two starts back but gave up from the outside of the leader in the last race as heavily backed. Very early choice if he is at his best. **2 Feliziore** is a stable companion to Welland Bro. Has a nice lane and races barefoot behind this time. Possible behind our favorite.

7 Olli Boko has done really well this season and won five of ten races. Won a V85 final in June and had the same lane behind the gate then. Now coming back after a layoff. Good chance. **8 You Bow To No One** is also good for this company and he has got a difficult number as well. Is Claes Sjöström's choice out of three horses in this race. Can open quickly. **3 Rocky Brodde** is our close favorite for the lead among several fast horses. Wins quite often and should be considered early on. **2 Pearl di Quattro** will probably reach a nice position from here. Has earned a lot of money this year without winning. Her turn now with Magnus A Djuse?

8 Mansa Musa Mearas is our idea here. He has been a bit unlucky lately and is much better than the latest results show. Has faced tougher horses. Good chance with the right trip. **2 Laststarinheaven** won easily from the front in the last race and looked nice. We think Troels Andersen will be in the lead after a bit here too. Early choice in that case. **1 Global Gangbuster** has shown good form of late and he should be considered early as well. The only question is where he will end up from the start. We don't think he will hold the lead. **10 Raphael** is also really good for this field. He has been matched in tough companies lately and faces easier horses now. Hopes for quick pace from here.
