3 Vete Tusan R.F. is a quick starter and with only three horses in the first circle, he will reach the front shortly after the start. Good chance even though he hasn't started for a while. **2 Guli Black** owns a lot of speed but is not reliable. In terms of capacity he can handle this opposition. **1 Guli Rasmus** is a bit up and down in his performances, but has to be considered if he has a good day. **4 Linselusa** did quite alright last time. Gets a defensive trip and in case of quick pace, his chances will increase.
