6. WIKI - Placed on all four runs, 2nd on the latter over 2400m at Lyon Parilly in a Class 1 race on June 21. Ought to play a lead role

Summary: GENTLEMANLIKE (3) could be the answer to this Listed race. He won well over 2400m at Lyon Parilly late in June when last seen and looks like he will keep on progressing. His fitness can give him an edge over PROOF (5), who was a solid third in the Criterium De Saint-Cloud (Gr.1) on October 26 when last seen. He could be a tad rusty on his return although he is a promising colt. WIKI (6) was second behind the main selection at Lyon Parilly and looks best of the rest.

- 15. IRIDIA** - Recent 4th at Parislongchamp over 1400m in a Class 4 handicap on June 18. Still looking to get off the mark after 27 runs

Summary: SIGNORA BELLISSIMA (2) was arguably unlucky not to win last time after her rider misjudged the winning post. She can make amends this time under the same rider. OPIANA (7), runner-up in this grade at Nantes on July 1, looks like the main threat, while THALIA (8) remains competitive off her current mark handicap mark. MOOREA (3) benefits from a valuable weight allowance and has place ambitions, while ECLAIRE LA VIE (4) has dropped in the handicap and is worth considering.

Summary: FANZI CHOP (3) got off the mark last time at Clairefontaine earlier this month over 1800m and has solid claims of following up. His main threat could be SOCIANDO (7), who has been placed on the last two runs, which includes a win on his penultimate start at Nantes on June. ALINKA (6) has been third on the last two runs and is one to consider strongly each-way. ROMAN BOY (4) looks best of the remainder.

Summary: OMICRONE (2) is a lot better than her recent form figures. Formerly rated as high as 43.5, she has often been seen under less-than-ideal conditions, mostly on ground that did not suit. Back over her optimum trip, on fast ground she relishes, and against her own sex, she is taken to return to winning ways. The fitting of cheek-pieces could also have a positive effect. THE SHADOW (5) has been a model of consistency and is a proven performer at this level and around Compiègne, making her the main threat. ZAWAN (3) and PLACEHOLDER (15) both had trouble in running when last seen and are capable of bouncing back. ZASYMOKA (9) makes up the shortlist.
