8 Teknovinn S.K. has a difficult lane but should have a good chance anyway. Took two wins in a row in June and has done well since then too. Galloped twice in the last race but showed good speed after that. **4 Stjerne Lilly** looked on the way to victory in the last race but did not trot perfectly and finished second. Won easily from the lead two starts back. **7 Erik K.** has had a short break. 8 Pelle Per likes this discipline and has a nice task here. Fifth from the pocket in the last race. Can do better. **7 Nelson Anton** has been galloping lately but won easily under the saddle in May. He is an early choice behind our favorite. **1 Amir L.R.** has an exciting task as the only horse in the first circle. He recently qualified under the saddle and is probably well prepared.

Seems in good form and has a nice lane. **8 Skeie Oda** has a difficult post over the short distance but she is very consistent and good and an early choice behind our favorite. **3 G. Soten** did not score a place in six starts last year but has been consistent and good this season and could at least be an outsider.

1 R.M.G. Tiger Feet was heavily interfered by galloping horses over the home stretch last time. Had put in three really good efforts before and gets the tip from this nice lane. **9 Loving Leah** finished nicely to a third place after a late opening in the last race. A bit tricky number but good for this field. **5 Sweet Coat Genius** finished to a sensational victory in the penultimate race and beat several of today's opponents. Should not be overlooked again. **2 Gaargaantua** has taken two wins this year and finished well as second in June. He fought well from first over in the last race. He is ideally drawn.
