7 Nightbird is still undefeated. Has a tricky number, but she is all-round and normally the Calgary Games-daughter has a good chance of winning. **3 Katinka Zet** is developing nicely. From this number she has a good chance of finding the lead, where she took her only win so far. **4 Followup** has high peaks and if she has a good day she will be in the fight for victory. **2 Nutella** is getting better, but is now facing tougher competitors.

8 Django Silver won four of five starts under the saddle last year. Trainer Ulf Stenströmer is pleased and the horse faces nice conditions in this race. Is strong and tough. Our winner. **6 Knut Rapid** scored a good win in his ridden debut at Bro Park. From this lane he will probably find an early lead and from there he is obviously an early choice. **3 Xanthis Jones** has been good in racing under the saddle for the former trainer. **7 Global Difference** has good speed resources.

2 Bella Yankee has only started three times this year but been strong in all of them. She is coming back after a break but has a strong record after a layoff and should have a good chance of winning regardless of the journey. **4 Nephente Boko** is very comfortable in the lead, having taken six of seven career wins there. Good chance from the front if the favorite is not at her best. **7 Guzzi O.P.** was improved barefoot in the last race. **9 Daisy Vik** has shown good form for a long time.

4 Lill Kagan is making a comeback for a new trainer. In terms of ability he is not afraid of anyone in this field and if he lives up to his capacity he is good enough to win this. **10 Global Enforcement** is on the way up and could score a second straight win. Needs some racing luck though. **1 Makeyourwaygolden** could find the lead or the pocket from this number one. **2 Global General** is a bit tricky, but the speed is among the best in this field.

Main challenger to our pick. **5 Bengan** is good and tough when he doesn't have to face the very best. **4 Dats Tore** has made two races for the new trainer.

He is the main challenger. **3 Superstitious** faces nice conditions in the first circle and is an early choice. **7 Koup Droit T.F.** is better than the latest results show and the trainer sounds on the way up.

3 Tvingens Calippo performed strongly in the last race. Now he tries to find an early lead and once there the four-year-old will be hard to beat. Håkan B Johansson is experienced for this race. Our pick. **9 Brigo** has been matched in tougher company than this. He may lack a run under his belt, but he is definitely the main challenger. **11 Bravo Chance** has tested a tougher training plan ahead of this race. Owns good capacity and is really strong for this class.
