3 Liberia Jet impressed in his debut as he won in a really nice time. He could be even improved by that run under his belt. Good chance.
1 Reilly Westwood did everything right in the first race of his career and scored a good win. He is an early contender here too. **2 Gorilla** is well-bred and Adrian Kolgjini's choice in this race. Should not be discounted. **4 Gladys Knight** was not pressed in the qualifier and is mainly a place bet.

4 Kings Wizard did alright in the last race a bit behind the winner. Won in his debut after a lucky opening from the pocket. Has shown the right attitude and together with Thomas Uhrberg he should have a good chance in this mediocre company. **3 Diamond Snapper** is not entirely reliable, but has shown good speed. Has to be considered without a mistake. **10 Foot Loose** has not started for over two months. Owns good speed and should not be overlooked. **7 Reidar Di Quattro** is coming more and more.

6 Cruiser is normally superior in this race. Top chance to lead this throughout. **2 Erica Palema** has done really well so far and will compete barefoot now which is interesting. Finds it hard to beat Johan Untersteiner's top horse though. **5 Nova De Castella** has not convinced lately, but is actually the horse who has shown the best capacity, apart from our pick. **4 Missmoneypenny S.F.** does alright but has not convinced. Gets a defensive trip along and could score a place.

4 No Snap No Problem galloped in her debut, which was a miscalculation, but looked nice a bit behind the winner. Is Per Nordström's choice out of two horses in this race and without a mistake the daughter to Chapter Seven is in the fight. **10 Joe Barosso** galloped over the home stretch in his debut on the way to a second spot. **11 Fletcher** is not reliable at all but has shown quite nice speed resources. **1 Ichiro d'Arc** makes his debut and is interesting directly.

2 Savastano was improved in the last race and there is no doubt that he is the best horse in this field. However, it has been a while since he competed at absolute top level and he is still a bit hard to predict. Our pick. **1 Freyr Di Venere** has a good reputation but has not really lived up to the expectations so far in Sweden. Nice conditions. **6 Laredo Boko** should not be overlooked. **3 Under Armour** is strong.

Normally in the fight for victory here. **1 La Chris** opens well and has a perfect number. Could lead this from start to finish. **4 Giggler** will be competing barefoot this time which is interesting. Should not be overlooked.

Challenger. **5 The Flying Eagle** is matched in good races and also a very quick starter. Could be dangerous. **4 Black Fire** is speedy with the right defensive trip.
