V4 ATG

RACE 1 — V4-1 — Auto 2140

5 Tampa Bay gets our pick in this open race. Comes from Germany and has scored some good third spots for Johan Untersteiner. On the way up? Good post. **7 Overload'em** won straight away in his comeback three starts ago. Driven this time by Stefan Persson and opens fast. Probably gets an offensive start. Will they take the lead? **3 Pure Color** is a stable companion Overload'em and Christoffer Eriksson's choice in this race. Wins quite often and is a quick starter. **4 Happy Soul** has taken four wins in Italy this year. Made his debut in Sweden last time but gave up at the end in a bigger V86 race. Easier now and run under his belt. Östre is driving.

11 Magic Hell gets the pick in another difficult race.Strong performance as second last time and deserves a win after several good efforts. **7 Barkov** won with Östre at Halmstad in September. Fourth last time in the V85 and easier opposition this time. Early choice. **12 Nigel Fortuna** has made two starts after a layoff and comes from a strong second place. Difficult lane and hopes for quick pace. **6 Camelia** has only one win in 21 starts but is not that bad and seems in pretty good form. One of many contenders in an open race.

RACE 3 — V4-3 — Auto 2140

2 Global Freeway has made three starts for André Eklundh and comes from two strong efforts. He is a quick starter and our close favorite for the lead. Good chance from that position. **12 Las Vegas Sisu** has earned the most money in this race and has done really well at the end. Driven this time by Carl Johan Jepson and is challenging despite this lane. **1 Shenanigans** is consistent and good and one of the better horses in this race despite having earned the least money. He can open fast and will probably get a nice trip from here. **11 Listas Champagne** is worth a warning. He won with his trainer at this track in August and has faced quite tough opposition towards the end. Hopes for quick pace from here.

RACE 4 — V4-4 — Auto 2140

3 Nyras Daenker has earned the most money this year and is our clear favourite for the lead in this good lunch race. He is driven by Stefan Persson this time and they can lead all the way. **6 Gaudio** had a very good season last year for Dion Tesselaar. He has now made three starts for Johan Untersteiner but galloped as a big favorite in the last race. Looking for revenge. **7 Look At Me Sisu** has won five out of 14 races this year and came back strongly after a gallop last time. A bit tricky number but an early choice with the right trip. **12 Light In** was second from the lead in the last race behind Look At Me Sisu. Has been a scratch after that. Hopes for quick pace from here.
