4 Miguel did not impress in the US as a 2-year-old and came to Daniel Redén's stable before this season. Has made two starts and shown good capacity, without winning so far. Will make his maiden at any time and there are many indications that it will be here. **3 Urban Tile** looks to be something extra and has done well so far. **5 J.H.Birdcherryman** is not reliable at all but showed good speed when he won. **7 Richie Steel** has a tricky number.

6 Pontiac Renka galloped in tough competition in the last race. Had shown good form before that and now the horse is going down quite a bit in class. Should be ready for a victory at any time and it could happen here. **4 Sainz Zon** has good speed but does not seem reliable and looks to be a bit fiery. **10 Ken's Queen** is matched in good company and has done well. However, she made quick money last winter. **1 Demon Marke** has a perfect starting position and should be followed too.
