RANK

7 King Kong DK has more second places than wins but is quite gifted and has a nice task here. We think he will take the lead from this lane together with Mats E Djuse. Good chance. **11 Preacher Newport** is much better than the latest results show. He was quite heavily backed in a bigger race at Visby last time but galloped twice. Showed good speed though. Contender. **6 First Cookie Dream** is an early choice too. He should reach a nice position from this lane, maybe the back of our favorite. Outsider. **13 Karin B.** faces a handicap but she has met tougher opposition this year and even won in the V85 in January. Hoping for quick pace.

6 Alf has a perfect task here. He has put in several good efforts this year and is driven this time by Mats E Djuse. Quick starter and is ideally drawn. Very good chance from the lead. **3 Gulliga Re** won three of six races last year and is good for this company. He returns after a layoff and the form is a question mark. Ulf Ohlsson is a plus. **11 Marodin** hasn't won in a while but put in several good efforts lately. He was second together with today's driver Marcus Lilius in June. **5 Eng Skansen** is not that bad but comes from several gallops and has had to qualify. A bit hard to predict and tricky number. Could surprise.

RANK

1 Night of Chanlecy gets the tip in this slightly tricky three-year-old race. Coming from victory and this time driven by his trainer Jörgen S Eriksson. Good lane. **3 New Parker** has not won yet after four attempts but races barefoot this time and that could be a boost for Jörgen Westholm's horse. **2 Mellby Ouzo** won last time at today's track and Daniel Wäjersten horse should be considered early again. Marcus Lilius is driving this time. **8 Illicit Hooch** has made four starts in Italy for Alessandro Gocciadoro but is now making his comeback for Oskar Kylin Blom. A bit hard to predict of course but possible despite a difficult lane.

5 Thai Face Time has done really well in the end from the outside of the leader and is in good form. Has a tricky starting number but if he avoids a mistake, he can do it tough. **13 Mizai** has earned the most money and had a brilliant season last year. Not as successful this year but has been competing in much tougher races than this one. Mats E Djuse is driving now. **11 Santos de Castella** comes from a second place under the saddle but never had a chance in the Årjängs Stora Sprinterlopp two starts back. Much easier this time. Marcus Lilius this time. **4 Flys Punker Rock** has not won yet this year but is quite gifted and could surprise together with Ulf Ohlsson.
