RACE 1 — V4-1 — Auto 2140

11 Riva has done well so far and been at least second in her four starts. Now she has been announced with an American bike for the first time which is interesting. Good chance despite the situation. **9 Miss Gallagher** is developing all the time and with the right journey she will pass most of them. **2 Global Gold** is gifted, but gallops a lot too. Early choice without a mistake. **4 Lillemor** is making her first start for a new trainer and even though her form is a bit difficult to predict, she cannot be discounted.

4 Newcomer Vici put in a couple of really strong efforts in the spring and looks to be in the same form now. Our pick. **3 Sven The Forestman** is also a quick starter and if he manages to find the lead, his chances will definitely increase. **11 Gretzky Brodde** is used to tough opposition. Can do it tough and no one will be surprised if he proves to be the strongest at the end. **1 Queen Montana** opens fast and could be good enough to win this, but needs both quick pace and an opening in time.

6 Perto came back after a mistake in the last race and did alright. Will be improved by that run under his belt and this looks like a nice task. **9 Lill Svarten** won easily in the last race and probably put in the best performance of his career. Early choice if he is as good this time. **5 Vejmo Märta** came too late in the last race and had energy left over the finish line. She will be in the mix if she avoids a mistake. **1 Bronn K.A.** is a quick starter and will find a good position straight away. Good form, but the eight-year-old is still without a win.

RANK

1 Star Brigadoon is a quick starter and still undefeated in the lead after five attempts. Should have a good chance of reaching the front and then he will be hard to beat. **4 Pontiac Renka** has looked in good shape lately and with the right trip from behind he is good enough to challenge for victory. **3 Secret Bo** has not convinced of late, but has been castrated before this start. Is one of the better horses in this race. **7 Eire** has a lot of potential and could surprise if he finds his form again.
