3 Maj Mollyn followed well against good opposition last time. Good chance to take the lead with only four horses in the first circle and is the horse to beat from the lead. **1 Mjölner Tordis** was ahead of our pick in the last race. Nice form, but the mare does not win very often. Good number and challenges with an opening in time. **11 Jerkeld Stjernen** owns good speed and can't be discounted despite this number. **7 Gull Vilja** has been consistent and good for a long time. Possible with a perfect trip.

8 Gasparito has a difficult starting position, but his form has been good for a while. Faces easier opponents now and should have a good chance of winning. **10 Kapucine D'Inverne** did well in the last race and the mare is certainly improved now. In the mix. **4 Earnest** has not convinced of late and has three straight gallops. Good for this class and should be considered. **11 Clubber Lang** meet too good horses in the last race but is in fine form and would prefer high pace.

8 Lykkje Lars has not been at least second in five starts and has now scored three wins in a row. He is developing well and if he handles this lane, he should have top chance. **4 Elle** has not started since September but had shown good speed before. She should not be underestimated. **9 Dottie** won comfortably in the last race at Lindesberg. Good for this field and should be considered. **7 Diva Djerv** galloped in the last race. Could surprise with the right trip from behind until the home stretch.

5 Nonstop Bonanza faces quite tough conditions money-wise but is in top form and with the right trip she will not be easy to beat. **8 Luck Is For Losers** won easily from the lead in the last race and even if the filly won't reach that position now, she should still have a good chance. **4 Secondstartotheright** just kept up the pace in the last race. Now he competes barefoot and with an American bike which is an interesting change. **9 Bella Bellissima** looked nice when locked in last time. Has earlier won over this distance and can do it again.
