2 Nova Luce has had a very promising start to his career with two wins in a row. The move to Norrland seems to have worked out well and the three-year-old was delicious last time. Nice starting position and the opposition looks quite easy again. **3 Evangeline N.O.** has good capacity for this class and owns great speed. If she avoids a mistake she has to be considered. **9 Ajlexes Konnässör** finished with energy left in the last race. On the way up. Contender. **6 Carnivore M.D.** has not started for a long time but owns good skills.

10 Högly Ester has scored many wins and put in a really sharp finish to win on July 20th. Tight starts is a bit of a question mark, but the six-year-old is in fine form. Our pick. **3 Mons Wild Odin** has started his career promisingly with two strong performances. Quick starter and not easy to pass if he reaches the front. **4 Sauron** has improved with every start and there is reason to believe that he won't make further progress. **7 Hulte Leif** has a lot more to learn.
