2 Izod Zet is in fine form and should have a good chance of leading all the way. He was a good third behind Dream Mine in the Breeders' Crown last year. Won easily from the front in the last race. Banker. **3 Phantom Express** is a top horse but gave up from the outside in the last Åby Stora Pris and should get a nice journey here. **4 Bullet The Bluesky** is aiming for another winter in France. Is working well but competes with shoes now and could get a defensive trip. **5 Competivo** is also heading for a winter period in France.

Good chance to lead this all the way. **7 Rocker** has started well in a slightly easier company but he impressed in the last race despite a tough journey and against a good horse. **6 Feliziore** is on the right track and started well in the last race but was still clearly defeated from the leader's back as second. On the way up. **10 Pure Vanessa** got a nice trip from second on the outside in the last race but won easily.

1 Macguffin has been matched in the V85 and looks like he is on the way up. Was clearly improved barefoot and nice in the last race. Leads from start to finish. **6 Urano Unico** gave up after a tough journey against top horse Ike Zet last time. Got locked in before that in a Derby heat. Tough and strong. **3 No Quit** is good, but he is only three years old and prefers to run in the lead. Would be difficult to beat from here. Has been treated after the last race. **8 Timotejs Messenger** followed well in the last race.
