5 Call Of The Wild scored a good win last time finishing 14/1000. Good chance - especially if he gets to the lead - which is the main scenario. **1 Lee Arc** is consistent and good but doesn't win races very often. Is well drawn now and could be in the mix again. **11 Like High** is good for this type of race and is the one facing a handicap who has the best chance of winning. **4 Barrique Wine** scored a good victory at Arvika in July. A place bet if he handles the start.

1 Global Honey Trap has taken the lead in both starts and she should have a good chance to reach the front again and once there she is the horse to beat. **3 Mizz Ex** will reach a good position from this post and is an early challenger to our pick. **2 Present Position** followed well last time. Got locked in with energy left in the race before and is in fine form - the four-year-old will soon score a victory. **13 Deesse** can open fast and will reach a nice position straight away. Would benefit from high pace and with the right backs he is in the mix. **9 Torö Rasmus** won easily in the last race after a perfect trip. Tougher opposition now.
