## RACE 1 — V4-1 — Volt 2140 — RANK

**10 S.G.Mistral** seemed on the way to victory in the last race but got surprisingly defeated. Looked nice otherwise and normally he should have a good chance here. **5 Da Vinci Face** has not started since March and his form is clearly hard to predict . He should be considered without a mistake despite the lack of races. **7 Bettle Hanover** held strongly in the last race and will be a contender with the right journey from behind until the home stretch. **3 Virtual Reality** is consistent. Could surprise with the right defensive trip and in case of high pace.

## RACE 2 — V4-2 — Volt 2140 — RANK

**2 Palmesus N.O.** has had a good year scoring eight wins. This number is not bad and he could win again here.**6 Komnes Omer** held strongly in the last race, finishing third against tough opposition. Can open quite fast and should have a good chance regardless of the journey. **7 Skjegge Svarten** is in great form and from a nice starting position the seven-year-old is one of those who can win this race. **11 Tekno Tana** was really nice two starts back and with a similar performance she is in the fight here.

## RACE 3 — V4-3 — Auto 1640

**9 Clover Club** scored a good win from the lead in the last race. Is good from behind too and the filly should have a nice chance of taking a second win in a row. **10 Starstrike** has shown top form after his layoff and if he is as good as he has been at the end he has to be considered. **5 Who's Dream** is quick behind the gate and the favorite for the front. Has taken the only win from that position. Leads for a long time. **3 Gizli Lane** is interesting in the debut behind the gate. Has been fast in the circular start and should reach a nice position. Could cause a surprise.

## RACE 4 — V4-4 — Auto 2140

**4 Almond Remix** looked nice in the last V85 race but got locked in. The four-year-old is a quick starter and goes for the front where all five career wins have been taken. Difficult to beat. **8 Boba Fett** won easily in the last race. He has had a short break after that, but is still the main challenger to our pick. **1 Elmoor Face** has been at least third in six starts this year. In the mix with the right journey. **10 Margaux Le Beau** won an easy race two starts back, but the impression was still nice. Has to be considered in case of high pace.
