1 Song Of E. Street wins very often and has a nice task here. Will probably take the lead and then he will be hard to beat. **9 Symphonie Classic** has won six of ten races this year. Has earned a lot more money than our pick but faces also a 40 meter handicap. Challenger. **4 Rönnerdahl** only made one start last year but has done really well this season. Consistent at the end and could be a place bet. **5 Avonaco** won at this track at the beginning of May and is also very consistent. Fighting for a place behind our top duo.

7 Eidsnes Odin has started really well and is coming off an easy win. With a similar performance he should have a good chance again here. **2 Silkesvarta** has been consistent and good so far and should get a nice trip from here. Early challenger. **3 Norek** won outright for his new trainer in the last race and with that run under his belt he should be even better now. Early choice behind our favorite. **1 Rano Elden** galloped in the last race and is not entirely reliable. If he avoids a mistake he can be in the fight from this nice lane.

Early choice. **9 Happy So Easy** earned the most money last year but is still without victory this season after ten starts. Is quite good for this company. Possible. **6 Barolo** won at this track in June and is quite consistent when he avoids a mistake. Could be at least a place bet in this tricky ridden race.

One of many contenders in a fairly open race. **8 Irons** also won four of ten starts last season. He is good for this field. At least an outsider.

2 Mo Rapp finished very well in the last race and had won two races in a row before that. Will probably find an early lead here. He is an early choice in this company. **13 Villmann** is in good form but has a tricky number. He needs high pace and has to be considered then. **6 Hassel Hera** is coming off a win and is possible here too with a similar effort.
