RACE 1 — V4-1 — Auto 2140

1 Nordprins has shown good form of late and comes from a fourth place in the V85 a bit behind Briskeby Pilen. Will find it hard to hold the lead from here but is still our pick. **10 Skeie Balder** is a stable companion to our favorite and will be driven by Mats E Djuse. Has not won yet this year but comes from several good performances. Early choice despite this lane. **2 Fosshaug Frasse** was second behind Nordprins in September but faced a 20 meter handicap then. Better conditions now and good lane. **12 Horg Blessen** has earned the most money this year. Scored a nice win in the lead in Norway in October but has a different post now. Kristine Kvasnes is the driver.

RACE 2 — V4-2 — Auto 2140

4 Ajlexes Magicwoman should have top chance here. Took two good wins in bigger races before she met Milady Josselyn in a Breeders' Crown semi-final last time. Much easier now and our favorite for the lead. **5 Wing Profile** has been matched in tough races of late and done really well. Fourth in the V85 last time behind Tarte Tatin. Early challenger. **6 Adora Liss** was second behind Kopparmärra in the V85 in September and won from the outside of the leader two starts back. Gave up in the V85 last time. Contender if improved. **7 Amara Cay Inn** had a brilliant season last year and earned over SEK 400,000. Fourth from the pocket in the last race and has a run under his belt now.

RACE 3 — V4-3 — Volt 2140

RANK

11 Bäcklös Maja won easily at Dannero in September and has done quite well this year when avoiding a mistake. Now driven by Ulf Ohlsson and that is interesting. **7 Eld Donna** won three out of four races last year but has only one win this season. Has been in tougher companies lately and been consistent. Early choice together with Mats E Djuse. **9 Jonases Lykka** is a stable companion to our pick and driven by his trainer Wiktor Kylin Blom. The horse made his debut for him in July after a layoff but has got another break since then. Hard to predict but definitely good enough. **5 Mai Sola** competes mostly in Norway but has done well in Sweden and was second at Rättvik two starts back. Looked a bit slow last time but finished well over the home stretch. Should not be overlooked.

RANK

6 First Festive Vir is our pick in this open race. He has earned the most money this year and been in tougher companies lately. Makes his debut for Lönn and is driven by Marcus Lilius. **8 Fulmine Degli Dei** came back really well last time after an incident during the final lap. Good second spot in the last race and early choice despite this number. **3 Flossa Vendil** was second from the lead in the last race and is our favorite for the front here as well. Has to be considered. **7 Dufresne** is one of the better horses in this race. He did well for Jörgen Westholm but galloped in his debut for Anders Eriksson last time. Better now?
