RACE 4 — V64-1 — Auto 2640

4 Crew Lane is an exciting 3-year-old who has not convinced this autumn. Going down a bit in class now and faces a nice task even though shoes all around is a minus. **12 Orazi Cesare** has impressed for new trainer Thomas Dalborg. **8 Lindy'sleadingman** has been improved lately and shown very good form. The long distance is not an advantage but he has a good chance of reaching the front. **11 Express Jab** is good for this class but has not lived up to that in the last two races.

12 Henessi Butja scored a good win in the ridden debut and put in a strong performance too in the last sulky race. Good chance. **1 Rokka Tiger M.G.** scored two convincing wins under the saddle and has done well after that too. **7 The Bandit** has shown good promise in this discipline in Norway. Shoes now is a minus, but the horse should still be considered early on behind the favorite. **9 Ixie** is a nice horse who has finished second in a Breeders Crown race.

10 Timber Tile is a very capable horse for this class who has been up and down though. He gets the tip but is not reliable. **4 Rockabilly Artist** came back in the last race and put in the best performance of his career so far when he finished nicely to a second spot in 1.12.8. **9 Leo Wynn** won in superior style in a low 13-time in the last race, which is very strong at that track. **5 Fire Starter** was clearly positive when he won from the outside of the leader in the last race. Goop now!

RACE 7 — V64-4 — Volt 2140

9 Sussistrong was good in the last race, finishing second behind a really good horse for this class. Easier now and our pick. **13 Go Steed** showed very good capacity for Björn Goop when he raced barefoot. Has made four races now for the new trainer and has done well every time. **8 Hide and Seek** has galloped a lot and has not been at his best. Has good capacity for this company though. **11 True Love** scored a good win in the last race against tough horses. Is strong breed and can do it tough.

Comes in really good form. **12 I'm a Dancer** has put in several really strong performances during this season and been matched in tough companies. **13 Mr Carnation** galloped twice in the last race after a very offensive journey by Jepson. 5 Kiss My I.D. galloped in the last race and was unlucky two starts back. Without a mistake the horse faces a nice task here. Our winner. **11 Esteban Bar** is a very difficult horse who is up and down but has high capacity. This short distance is an advantage. **1 Klinton** reached the pocket in the last race and kept up the pace well. This short distance is interesting. **2 Kind of Magic F.R.** is a capable mare who is very up and down. When she is at her best she can pass all opponents here.
