4 Bozeman wins very often and has a nice task here. He has a better post than at the end and should have a good chance of beating this opposition. Possible banker. **3 Lindystermingle** is a good challenger. Fought well to a second spot in the last race and has been consistent towards the end without winning. Good lane. **7 Yesyesyes** won two starts back and beat several of today's opponents. She did well in the last race too as third and is in good form. **1 Googooman** will probably get a nice trip from here and is at least a contender for a place bet.

1 He Dares The Devil has been good in both starts after the layoff and should be on the rise. He is a very quick starter and our favorite for the lead. Good chance from there. **6 Comedy** challenges for both the lead and the victory. Won from the front in the last race and beat several of today's opponents. Very early choice. **3 Nero B.R.** got a defensive trip behind Comedy in the last race and had energy left over the finish. Good post and will probably get a more offensive journey this time. **7 Who's Moni** comes from a third place and has three runs under his belt now. Could be a contender for a place bet.

11 Nezza Caviar is our pick. She finished brilliantly to a second spot in the last race and deserves a victory after several good efforts. Hopes for quick pace from here. **1 Dufлот** won comfortably two starts back and beat several of today's opponents. Never got a chance last time but has a much better lane this time. Early choice. **9 Elton Rags** was a good runner-up in the last race but gave up from the lead as a favorite in the last race and was defeated by Dufлот among others. Looking for revenge here. **10 Walker** comes from a second place in a ridden race and is in good form. Could be at least a contender for a place bet.

5 Sörstormen competed in a tough race at Solänget in Sweden last time and finished really well to a third place. Has shown great form for a while and should have a very good chance from this nice lane. **9 Bleke Best** is a good challenger but has a worse lane than the favorite. He was fifth behind our pick in the last race. Looking for revenge. **7 Elite Stjernen** is good enough to fight for victory but he is not reliable at all. He won two starts back despite a gallop. Has to be considered if he avoids a mistake. **4 Sjövoll Svarten** is consistent and good and possible behind our top trio.
