Good chance. **10 Quick Action O.C.** won in the last race despite a tough journey. Owns good strength and should be close to top form. **3 Quinting** has faced tough opposition lately and should not be underestimated from a good starting position. **5 Single Lane** is a quick starter and could take the lead.

12 Wing Profile comes from a superior win in the lead. Now the conditions are a bit different, but the impression last time was really nice and with a similar performance he will be hard to beat. **4 Hot Quick Magic** has been improved a lot towards the end. Good number and leads the race for a long time. **5 Ghostgirl** can open quite fast and reaches a good position straight away. Should not be discounted with the right trip from behind. **2 Conrads Ballerina** did well for Ida Olsson two starts back. Doesn't win very often, but could cause an upset with a perfect trip.

1 Shogun R.R. is not a quick starter but here Daniel Wäjersten certainly tries to find a way out as soon as possible and then go to attack. Should have top chance. **8 Frank S.H.** competes barefoot for the first time which is interesting. Could win if the favorite fails. **7 Emperor Godiva** comes from a poor effort but was much better two starts back and is good enough to be on the podium. **5 Underbarosåfin** is a quick starter and the favorite for the lead initially. Probably faces to tough opposition here.

Has good capacity and could be in the mix. **6 Vixi Garbo** was a bit behind Mellby Mowgli in the last race and is mainly a place bet here.
