RANK

4 Midnight Rhyme has won two of seven races, both from the lead. Followed well at Åmål last time (clockwise) and should have a good chance to take (over) the lead here. Our winner. **6 Mazzola** was very nice when he won his debut last year but not as good after that. Has been castrated and is now coming back after a long layoff. Timo Nurmos horses are usually well prepared. **2 Divine Express** has only one win in 20 starts but faces nice conditions as a filly. Quick starter and can find the position behind our favorite. Per Lennartsson is driving. **3 Divas Diva** has not won yet after 21 starts. However, she has been quite consistent and good. At least a place bet.

8 J.Kagan Brick sprinted to victory in a V85 race at Bollnäs in April. Is used to tougher opposition and probably get an offensive start by Bergh despite this number and find the lead after a bit. Good chance. **5 Hugo Boss Shadow** earned the most money last year but has not won yet this year after eleven races. He is also used to competing against good horses. Early choice together with Jepson. **6 Global Enjoy** had a good season too last year. Good as second two starts back under the saddle and he is now driven for the first time by Magnus A Djuse. **4 Kaiser Mearas** scored two brilliant wins in March last year but hasn't been as good since. Two runs under his belt now and dangerous to ignore.

9 Gagu Jet is not reliable and returns after a layoff but has a very nice task here. He is by far the best horse in this field and the combination Gocciadoro/ Magnus A Djuse is always interesting. **1 Ferdinand Ferry** will probably take the lead with Jepson and challenge. He wasn't at his best in the last race but had put in several good efforts before that. **8 Royal Doc** faces quite tough conditions money-wise but seems quite good for this field and was positive as third in his comeback after a very long layoff. On the way up. **3 Quasar** scored a good win two starts back and has a good lane. Driven this time by Micael Stjernström and that is not an advantage compared to Jepson at the end.

4 Galaxy Love D.E. earned the most money last year and comes from an easy win in the lead. Jepson now and probably gets an offensive journey. Hard to beat if he finds the lead. **6 Gaga Lady** has done well in Italy but not convinced yet in Sweden. Never got a real chance last time and did not trot perfectly either. Is hard to predict. Contender. **8 King** likes this track where he has taken the last two wins from the lead. We suppose Kenneth Haugstad will go for the front again despite this starting position. **11 Blyger S.R.P.** is in good form and comes from two strong second places. Difficult lane and hoping for quick pace. Should not be discounted in that case.
