4 Bottnas Invit gets our pick in this very weak race where no one has won yet this year. He was fourth in the last bigger race and will face easier opposition now. He is also our favorite for the lead and is driven by his regular driver. **5 Västerbo Google** has not won for a long time either but shown quite good form lately. Followed well in the last race and should be considered in this field. **3 Crowd Surfer** is one of two horses that has won at least one race in the last two seasons. He did alright two starts back and is now driven by Kai P Jussila. Good post. **11 Zeus Sensation** comes from a fourth place at Gävle. Faces the best conditions money-wise and hopes for quick pace from here.

6 Cup Cocobahia finished second as recently as last Thursday after a nice inside trip. Opened fast then and she is driven this time by Carl Philip Lindblom. Has already two wins this year. Good chance if she handles tight starts. **3 Monte Rosa** took two wins last year and earned the most money then. Is good for this mediocre company and is quite fast from the start. Early choice. **4 The Vegetarian** has only scored one victory in 42 starts and hasn't won for a long time. However, he has been quite consistent and good towards the end. Contender. **2 Playboy** took a comfortable win in May and has done well at the end. Nice number.

4 Top Dog is clearly better than the latest results show. He won two races last year and earned just over a quarter of a million SEK. Followed well as fourth from the lead two starts back and will face easier opponents now. Good chance to lead this all the way. **9 Dedes Vici** comes from a good third place. A bit tricky number but can do it tough and could be on the way up with a run under his belt. **5 A Perfect Man** finished well in the last race but came too late. Was improved a lot and could cause a surprise here. **6 Nonstop Käll** won two races last year and did quite well. Has met better horses lately and is driven this time by gifted Patrick Hedqvist. Outsider.

6 Satsuma was trained by Johan Untersteiner but is making his second start for Stefan Dahl. Has earned the most money this year and comes from a good performance. Good chance with Simon Helm. **8 Global Bookmaker** has earned by far the most money in this race. Faced horses like Mellby Knekt and Mellby Joker this summer. Much easier now. **4 Aprilia Zoot** did well last year and faces easier opponents too this time. Is a quick starter and should get a nice trip with Jens Ekstam. **7 Icon Mearas** wins quite often. Has been racing under the saddle of late and can open very quickly. One of several contenders behind our pick.
