2 Playithot took the lead in the last race and was superior in a very nice time in his second race. He looks talented and should have a good chance with a similar performance. **4 I Love You Am** won his debut and comes from a decent third place. Johan Untersteiner's horse has a bit of a tricky number but should normally be considered early. **6 Pivot Heldia** had the same lane in the last race and took the lead and won at the end. Is our favorite for the lead again and is possible from that position. **7 Pure Games** has clearly earned the most money in the race but therefore starts with a 20 metrer handicap. Has faced quite tough horses and is an early choice. This small field is an advantage.

1 Ebba Kuce is our pick in this tricky race. She has met the best of her year and done quite well. Won despite a double handicap in the last race and looks to be in good form. Quick starter. **5 Nikki Lane** won at Visby in the last race and will face a bit tougher opposition this time. She is really good when she is at her best but also a bit up and down. Can open fast and will challenge for the lead. **4 Remember Me D.E.** looked to be on the way to victory two starts back at Charlottenlund but got defeated at the end. Hopes for quick pace here and will be driven this time by Tyler Mifsud. **3 Henrik Will** is a consistent and good Danish horse. He has been competing in his home country recently and will face a bit tougher horses this time. Should not be discounted.

7 Bonus Credit was successful last year and is probably the best horse. However, he was beaten as a mega favorite in the last comeback and has had another short break. Wins often and is probably driven offensively. Normally a good chance. **5 Epicure D.E.** won after a dream trip in the last race and seems in good form. Has won four out of eight races this year and should be considered early on. **4 Nasdaq Newport** won seven races last year but hasn't been as good this year yet. Has finally got a good lane and is fast from the start. Early choice. **6 Forest Jet** is an Italian horse trained in Denmark. He put in two good efforts in Sweden in June last year. He is coming off a win in an easy Danish race.

4 Catch Lane was not at his best last time but still gets the tip. Is a quick starter and our clear favorite for the lead. Driven this time by his trainer Johan Untersteiner. **6 Fabulous N'Away** should be considered early. He is mainly strong and will probably get an offensive trip by Dante Kolgjini. **7 Euron Face** could be the best horse here. He gallops a lot and is clearly better than the latest results show. Returns after a layoff but has to be considered straight away if well prepared. **10 Olara Boko** has only one win in 28 starts. Two runs under his belt now and on the way up. One of many outsiders in this open race.
