

R1 CABOURG [R-H]

C1 - PRIX DE LISIEUX - 2750m (a1m1/2) - Class D - Harness - EUR € 29,000

1. **MOLLY DU CAUX** - Took little time getting back in the game following the spring break, winning a Class D over course and distance three weeks ago. A repeat seems unlikely but still has the capability to get a look in
2. **MISS DU PERCHE** - Hardy filly that is undefeated in 2 starts with David Thomain. Has been showing her form since the spring and even though stepping up in class must be respected
3. **MEGINO** - Finished 8th in a Class D at Enghien over 2,875m on 12 August. Will appreciate a return to racing clockwise and from the front line can put on a good show. Place chance
4. **LAMENTIN** - Showed improvement when 4th in a 2725m Class F here in mid-July but at this level will struggle to repeat
5. **MOJITO DE BANVILLE** - Made up for Enghien sanction when 3rd in a Lisieux Class B last Monday. Sports a new configuration and the front-row start will do his chances no disservice
6. **MARQUIS D'ENFER** - Won a Class D at Argentan over 2,150m on 8 August. Ran 2nd here a month earlier and, given the entry, is easy to like for a place in the frame
7. **KEL PRESTANCE** - Has endured an interrupted career. Is some way off the form he showed as a 4yo and will have nothing to offer on first start back
8. **LIKE MESLOIS** - Missed out on the three-timer when eliminated in a Pornichet Class D in mid-July. Won under these conditions on sole start at the venue and deserves to be taken seriously
9. **MONTEQUILLO** - Fifth in a Class C at Enghien over 2,875m on 1 July. Has been re-shod for the occasion and in this company looks a serious proposition
10. **LOVE'S SECRET** - Finished 13th in a Class B at Bernay over 2,800m on 26 July. Is preferred under the saddle and best to hold off
11. **MUST DREAM** - Dominated the opposition in a Class D over 2,050m here on 14 August, making it 4 wins in last 5 starts, and should logically take all the beating

Summary: MUST DREAM (11) won the Quinté+ here with ease last week and will race in the same configuration. Clement Duvaldestin should be wary though of MONTEQUILLO (9), who has a good opportunity to make his presence felt again. In excellent form and ideally-engaged at the limit of earnings, MARQUIS D'ENFER (6) can be preferred to MEGINO (3), who deserves to be given another chance.

C2 - PRIX DE LINAIRE - 2050m (a1m1/4) - - Harness - EUR € 25,000

- 1. MULANE DU BOCAGE** - Third in a Class E at Amiens over 2,400m on 29 July 2026, her best performance for almost 3 months, however a repeat seems unlikely
- 2. MASCOTT DU CHOQUEL** - Won a Class D over course and distance early last month but was eliminated at Argentan 2 weeks ago. Is never far from faulting but on good behaviour can get in on the action
- 3. MOANA DE WALLIS** - Sprang an 11-1 surprise when successful in a 2725m Class E here a week ago. Has never delivered at this distance but has pulled a good number and should not be underestimated
- 4. MERVEILLEUSE** - Won a Class E at Mauquenchy over 2,850m on 23 July after 2 straight eliminations. Is unlikely to repeat but from the 4 slot can give this a good go
- 5. MUSE DU VIVIER** - Finished 8th in a Class E over 2,750m here on 11 August 2026, her first start for over 4 months. Is clearly in race-mode this time and thoroughly capable of imposing
- 6. MAYA DU POMMEAU** - Tough winner of a Class E at Amiens over 2,400m on 29 July. Has thrived since moving yards and should be good enough to give MUSE DU VIVIER (5) a run for her money
- 7. MOON NORMANDY** - Finished 3rd in a Class E at Enghien over 2,875m on 2 August following a pair of disqualifications. Breaks wide on front line but is hard to knock when focused and must be taken seriously
- 8. MAGIE D'ORLY** - Got back in the game when successful in a Class E over course and distance 10 days ago. Takes on a better lot this time, is not ideally-positioned, but will generate some interest
- 9. MILADY DREAM** - Started to come good in the spring before subsequently losing her way, and will have little to offer
- 10. MARMARA BLEUE** - Second in a Class E over course and distance on 11 August 2026. Has been knocking at the door since imposing at Lisieux in May and despite a 2nd line draw, is still worth keeping an eye on
- 11. MISS GRAIGNES** - Runner-up in two before coming 4th in a Class E over 2,750m here on 14 July. Takes on a better lot this time but can still challenge for minor honours
- 12. MELODIE BECO** - Runner-up in a Class D at Biarritz over 2,950m on 25 July. Faces a significantly tougher task this time though and can be passed over
- 13. MOLLY WHITE** - Complicated filly preparing for a campaign in the other code and can be ignored
- 14. MADONE PIYA** - Unplaced in a Class E at Amiens over 2,400m on 29 July, 2 weeks after having encouraged over longer here, and others easier to back

Summary: MUSE DU VIVIER (5) has just returned from a break, will have been specifically prepared for this, and will be barefoot for the occasion. She can be preferred to MAYA DU POMMEAU (6), who has quickly regained her form with Antonin André, MOON NORMANDY (7), who could not be better-engaged, and MERVEILLEUSE (4), who is out to confirm her Mauquenchy victory.

C3 - PRIX DE GRAIGNES - 2725m (a1m1/2) - - Harness - EUR € 26,000

1. **LA PERLA DE LOU** - Out of the picture in last 2 but will be barefoot this time and reunited with Mathieu Mottier who ran 3rd with her at Lisieux last month. First 5
2. **LADY AURELIA** - Capricious mare but has won 2 of last 3, most recently a Brehal Class F 11 days ago, and will not be far from the action if she deigns to keep her action together
3. **LOUMIA CASTELETS** - Won a Caen Class E in June but has twice failed to confirm and can be passed over
4. **LUANA SPORT** - Gave a reassuringly-good account when 2nd in a 2750m Class F here 2.5 weeks ago. Is superbly-engaged, well-positioned behind the car, and can impose this time
5. **LOLITA CHARMEUSE** - Just missed out on the hat-trick when second in a Class E at Lisieux over 2,725m on 7 June. Is barefoot for re-entry and from the 5 slot can play an important role
6. **LAGHERTHA DU PONT** - Ran 7th in a Class E at Meslay-du-Maine over 2,875m on 28 July, 6 weeks after imposing at Vichy, but others still easier to trust
7. **LIBERTY HEROLD** - Unplaced in a Class E at Enghien over 2,150m on 23 June. Has been biting off too much since winning at Amiens in May and is unlikely to spice things up
8. **LADY D'HELIOS** - Solid during the spring but has subsequently come off the boil and will first need to reassure
9. **LET'S GO SMART** - Finished 7th in a Class E Apprentices' race at Enghien over 2,875m on 13 August. Has been re-shod for the occasion but current form does little to inspire confidence
10. **LUTECE D'OUVILLE** - Was not disgraced when 6th in a Class E at Enghien over 2,875m on 25 July. Is not a priority but can still get a look in
11. **LADY EVER** - Second in a Class F Apprentices' race at Amiens over 2,400m on 29 July, after having imposed at Les Andelys earlier in the month, but is being aimed too high this time
12. **LADY CHANNEL** - Comfortable winner of a Class F over 2,725m here on 17 July. Simply excels at the venue and even from the back line looks the horse to beat
13. **LARISSE D'ECHAL** - Victorious in a Class F at Montier En Der over 3,025m on 9 August. Has hardly put a foot wrong over recent months and is easy to like for the win. Chance

Summary: There is little between LUANA SPORT (4), who met a very tough rival here on 4 August, LADY CHANNEL (12), who is behind in earnings, LARISSE D'ECHAL (13), a recent winner when racing barefoot, and LOLITA CHARMEUSE (5) who has been consistently competitive since the spring.

C4 - PRIX D'ARGENTAN - 2750m (a1m1/2) - - Harness - EUR € 37,000

1. **MAX OCCAGNES** - Unplaced in a Class C at Enghien over 2,150m on 9 July, his second start back. Is far off the form he showed in the spring and cannot be regarded a player
2. **NELSON GREENWOOD** - Finished 4th in a Class B at Enghien over 2,875m on 29 July, somewhat making up for losing his action at Enghien late last month, and if applied should finish in the mix
3. **EXPRESS D'ARC** - Sent for a break after winning a Vincennes Quinte in January. Has struggled since returning to competition and will have nothing to offer
4. **KESITO D'URVILLE** - Finished 2nd in a Class E at La Roche-Posay over 3,150m on 9 August. Has hardly put a foot out of line this term, will be barefoot this time, but may be taking on too much
5. **IBANQUE LEBEL** - Has looked rather ordinary since returning from her lengthy layoff, most recently unplaced in a Class E under these conditions 2 weeks ago, and will have few takers
6. **KNOCKONWOOD** - Finished 5th in a Class B at Enghien over 2,150m on 6 August. Has not won for some time, and is not about to this time either, but he has been holding his own lately and merits attention
7. **KRYSTAL PIYA** - Handy sort that encouraged at Enghien a fortnight ago when 4th in a 2150m Class B. Is not a priority but has the wherewithal to give this a good go
8. **KAISER** - Authoritative winner of a Class D over course and distance on 3 July. Ran 2nd at Brehal next time and should again prove competitive when push comes to shove
9. **JERICHO DU RIB** - Won a Class D at La Capelle over 2,700m on 20 July. Has done nothing but improve lately, however he is being conditioned here and will have other priorities
10. **INDOCILE** - Ran 7th in a Class E at Cabourg over 2,750m on 10 July. Has placed just once in 12 starts this year and is not about to spring any surprises
11. **EVERY TIME WINNER** - Runner-up in a Class B at Chatelaillon over 2,625m on 12 July. Is plainly close to his race and at this level should have the measure of most, if not all
12. **BROTHERS IN ARMS** - Unplaced in a Class A at Enghien over 2,150m on 23 May. Not the easiest to handle but has form at a superior level and cannot be discounted
13. **PANTOCRATOR** - Should not be too hastily-judged for faulting in a Class B over course and distance on 17 July. Has already won twice this term and will be barefoot as he was at Graignes. First five
14. **DAYAK (ITY)** - Won a Vincennes Class E in June before landing an Enghien Class D a month later. Lost all chance at the start next time but will be a tough nut to crack if Yoann Lebourgeois keeps him focused
15. **IGGYPOP D'HERFRAIE** - Finished 12th in a Class D at Cabourg over 2,750m on 31 July. Has otherwise been in good shape but would be preferred a level down
16. **IVOIRE PRESTANCE** - Finished 11th in a Class D at Cabourg over 2,750m on 31 July. Benefits from a good entry but looks to be out of his depth

Summary: Fourth in three Gr.3s since the start of the year, EVERY TIME WINNER (11) recently proved his form at Châtelailon-La Rochelle and could well get the better of all of his rivals this time. DAYAK (14), who scored twice before faulting at Enghien, can lead the opposition alongside the reconfigured KAISER (8), impressive winner here early last month, and NELSON GREENWOOD (2), fourth in a good race at Enghien last time. PANTOCRATOR (13), racing barefoot after a recent clinker here, can also play a prominent role.

C5 - PRIX D'ALENCON - 2750m (a1m1/2) - - Mounted - EUR € 33,000

1. **LUCA BAROSSO** - Should not be too quickly condemned for failing to deliver here late last month. Debuts for his new yard, has already won for Mathieu Mottier as jockey, and can now do so as trainer
2. **INDIGO GEDE** - Has been completely off the boil for past 3 months and in this company will have nothing to offer
3. **HEPAX SPEED** - Placed on turf 2 months ago but has done nothing noteworthy since and can be confidently disregarded
4. **JUST PACHA** - Excellent servant that won his second of the summer when securing a Class F at Le Sap earlier in the month. Has never failed to fire at Cabourg and is not about to start now. Chance
5. **PARKER** - Came encouraging 4th in a Class F at Abbeville a fortnight ago but others still preferred
6. **JAGUAR GEMA** - Won a Class F at St Jean De Monts over 2,625m on 9 August 2026. Is consistently in the thick of things and, although unlikely to repeat, should nevertheless hold his own
7. **JIHERE DU PORET** - Went into her spring break on a good note but has failed to deliver since returning to competition, most recently disqualified in a Class D at Vichy over 2,950m on 1 July, and is not an obvious choice
8. **JAZERANE** - Won a Class E over course and distance on 7 August. Simply excels with Alexis Collette who will be justifiably anticipating another big performance
9. **HEIDI DU BISET** - Has struggled since imposing at Le Mont-Saint-Michel in late-June, lastly unplaced in a Class E Apprentices' race over 2,725m here on 4 August, and is unlikely to upset the status quo
10. **IDEAL DE BANNES** - Victorious in a Class E at Vibraye over 3,100m on 15 August 2026, putting behind him a poor run at Vichy in early-July. Hélia Fernandes Rios keeps the drive and will justifiably generate interest
11. **JADE DU PARC** - Ran reassuring third in a Class E at Meslay-du-Maine over 2,875m on 28 July after having lost her action at Vichy the previous month. Has not delivered here for some time, but in current condition is hard to ignore

Summary: Sporting a new configuration on his first start for Mathieu Mottier, LUCA BAROSSO (1) should make amends for his disappointing run here on 31 July. At the top of his game, JUST PACHA (4) can lead the opposition alongside JAZERANE (8), who is capable of making an immediate impact on her ridden debut, and Antonin André's second runner, IDEAL DE BANNES (10), who scored at the first time of asking for his new connections.

C6 - PRIX DE BOURIGNY - 2050m (a1m1/4) - - Harness - EUR € 22,000

- 1. NEWTON DE MONGOCHY** - Finished 3rd in a Class E over 2,725m here on 7 August, at 66-1. Will generate more interest this time but still represents a minor place chance at best
- 2. NORIANO BELLO** - Ran 2nd to a very good horse in a 2725m Class E here 2 weeks ago. Is well in on the front row and looks thoroughly capable of imposing this time
- 3. NEW MAN ANGELE** - Finished 2nd in a Class E over 2,725m here on 7 August 2026. Appears to have got his act together and his latest run here bodes well for his chances
- 4. NITAI SANTMIXO** - Finished 3rd in a Class E at Amiens over 2,400m on 29 July. Is not about to lose his maiden tag but is in sufficiently good shape to contest a place on the podium
- 5. NEFERT D'ALESA** - Encouraging fourth in a Class E over 2,725m here on 17 July. Has no references at this distance but is nicely-drawn and in present shape is worth keeping an eye on
- 6. N'OUBLIE PAS** - Finished 3rd in a Class E at Cherbourg over 2,625m on 24 June. Is plainly close to his race and from the front line can give this a good go. Place prospect
- 7. NEON DU PARC** - Showed improvement when 5th in a 2725m Class E here 2 weeks ago, his first clockwise start, but still needs to find more
- 8. NUMENOR'S FELLA** - Finished 3rd in a Class F at Chateaubriant over 2,400m on 7 August 2026. Will not be sent out at 64-1 this time and could even challenge for the win
- 9. NELSON MELODY** - Sports 4 pads for the first time after running 5th in a Brehal Class F on 10 August. Is as tricky as they get though and others easier to trust
- 10. NEW YORK STEF** - Unexceptional sort taking a hike in category after a poor showing at Abbeville a fortnight ago, and appears to have no possible chance
- 11. NO EXPECTATIONS** - Qualified respectably in July but was eliminated on debut earlier this month and is unlikely to shake things up

Summary: NORIANO BELLO (2) looks to have ample ability for a race of this calibre and can be preferred to NUMENOR'S FELLA (8), sporting front pads for the first time, the consistent N'OUBLIE PAS (6), and NEW MAN ANGELE (3), provided he stays in stride.

C7 - PRIX DE CARENTAN - 2050m (a1m1/4) - - Harness - EUR € 21,000

1. **OTTAWA DE REUX** - Ran 6th in a Class E at Saint Malo over 2,150m on 15 August and will need to show marked improvement
2. **ODESSA DE MORGANE** - Made amends for modest debut when second in a Class E at Saint Malo over 2,150m last weekend and, with form maintained, can make the frame once again
3. **ONE NIGHT IN RIO** - Serious filly that finished 4th behind ORIGINE CASTELLE (4) in a Class E under these conditions 2.5 weeks ago. Will be entrusted to David Thomain for the first time and has a realistic chance of bringing home the bacon
4. **ORIGINE CASTELLE** - Ran third on debut in a Class E at Cabourg over 2,050m on 4 August, confirming her good qualification, and from the 4 slot can get her nose in front this time
5. **OLA VALLIERE** - Qualified without fanfare on 8 July, then ran out victorious in a Class F at Bernay over 2,300m 18 days later. Faces better horses this time but has pulled a good number and can make first five
6. **OCACINA** - Disqualified in both starts to date, most recently a Class E over course and distance 2.5 weeks ago, and will have few friends
7. **OLBIA CASTELETS** - Finished 4th in a Class E at Saint Malo over 2,150m on 15 August, first time out. Will have come on for the run but others still easier to back
8. **OPALE DE L'OISON** - Set off no fireworks in qualification at Caen in early-June. Is nicely-related though and will not be far off the mark if Esteban De Jésus successfully negotiates the start
9. **OVADA** - Gave a good account on debut when 4th behind ODESSA DE MORGANE (2) in a Saint-Malo Class E last weekend. Faces a stiffer test this time but should nevertheless acquit herself honourably
10. **OMBREE JISCE** - Career debutante that qualified respectably at Meslay in June. Starts on back line but hails from a yard going good-guns and must be afforded respect

Summary: ORIGINE CASTELLE (4) and ONE NIGHT IN RIO (3) recently finished in that order here and should battle it out for victory this time. ODESSA DE MORGANE (2), a good second at Saint-Malo, and newcomer OPALE DE L'OISON (8) can also be considered.

C8 - PRIX DE MOULINS LA MARCHE - 2750m (a1m1/2) - Class E - Mounted - EUR € 22,000

- 1. NEMESIS SOLEDAD** - Looked decidedly ordinary on debut when well-beaten in a 2375m Dozule Class F on 12 August, and is not about to influence the outcome
- 2. NORGAFLORE** - Disqualified on debut in a Class F at St Jean De Monts over 2,625m on 2 August. Christopher Corbineau takes over in the saddle and enjoys a good opportunity to make amends
- 3. NANA PAULLH** - Ran 7th on debut in a Class F at St Jean De Monts over 2,625m on 2 August. Will be fitted with pads this time but still not an obvious choice
- 4. NOSTALGIE JIEL** - Finished 7th on debut in a Class E at La Capelle over 2,750m on 7 July. Will have come on for the run, sports pads this time, and should not be overlooked
- 5. NAYA DE MYE** - Nicely-related filly switching codes for the first time after having failed to impress under harness, and could pleasantly surprise
- 6. NIKA LEGACY** - Disappointing on the whole since her April debut, most recently disqualified in a Dozule Class F last week, and can be ruled out
- 7. NAELE DU POMMEREUX** - Has failed to place in 7 starts to date and is expected to maintain the trend
- 8. NATIVE D'AUVERS** - Not the easiest of horses to handle but has ample ability and can contest the finish if Adrien Lamy manages to keep her trotting
- 9. NUSICA ASSCHADEL** - Modest individual that has yet to show any particular flair for the code and is not about to create an upset
- 10. NORMANDY JOSSELYN** - Entrusted to Alexis Collette following a pair of sanctions under harness. Clearly has promise and can play a leading role if she takes to the new conditions
- 11. NOUBA CASTELETS** - Ran 5th on monte debut here on 24 July but has not been quite as sharp since. In this company though, could play a small part
- 12. NOVA DE LA VALLEE** - Finished modest 7th in a 2375m Dozule Class F last week, her first start in the discipline, and will need to find considerably more
- 13. NANALAND** - Showed promise during the spring but has failed to make any impact since. Was prepared for this under harness here 10 days ago but others still preferred
- 14. NOUVELLE D'ATOUT** - Finished 4th in a Class F over course and distance on 4 August, but is considerably better than the result would suggest, and can wrap this up

Summary: NOUVELLE D'ATOUT (14), reliable in this discipline, and the delicate NATIVE D'AUVERS (8) can be preferred to NORMANDY JOSSELYN (10), who will be no pushover if she takes to the new discipline, and NORGAFLORE (2), who should not be too harshly-treated for faulting first time out.
