2 Champ Ness got an inside trip in the last race and had energy spared. The six-year-old is probably improved now and from a good starting position he should have a nice chance. **5 Tougherthanothers** is doing well most of the time and looks to be in fine form. Can do it tough and will be in the mix. **6 Karbon Brick** sprinted well to a second place last time after finding an opening over the home stretch. Is an early choice here. **10 Vamos** has done well at the end and is in great form today - and will soon take his first win.

4 Guli Theo has three wins in a row and was surprisingly good against tough opposition in the last race. Will be hard to beat again. **8 Sjöli Morten** did well in the last race after a gallop. Will reach a good position straight away and is possible if things get wrong for the horses with a handicap here. **7 Ängspuma** is fast when she can save her speed, but will still find it hard to pass all opponents to victory.
