Summary: STINGO AA (6), a four-time winner over jumps, has the ability to make his presence felt. Although his recent form in 2025 was below expectations, he could bounce back on his seasonal reappearance. FOREST DU PECOS AA (4) looks the main threat after scoring in a Class 1 conditions chase at Bordeaux-Le Bouscat last month and should arrive at peak fitness. ISISDELAGARDE AA (1), runner-up to FOREST DU PECOS AA (4) in that recent contest, also has strong claims and could play a leading role. FENOMENE D'OC AA (2) completes the shortlist and should not be overlooked.

4. NISSAKIA - Unplaced in a claimer at Deauville over 1,900m on 3 November on the flat. Placed over 2,000m in April on the flat in a Class 3 race. Hurdles debut and she is one to consider if the betting vibes are positive

9. TANGANYIKA BLEUE - She finished 5th in a conditions hurdle at Bordeaux-Le Bouscat over 3,300m on 8 October on her sole start. She can improve but others look better equipped

Summary: Despite being badly hampered by a faller on her hurdling debut and encountering further trouble at the hurdle after the stands at Auteuil, LA REINE DE CHOEUR (1) showed considerable determination to win in early October. She looks a promising prospect and has the potential to follow up. SAWADAME (2) has displayed ability in both her starts over hurdles and should prove a serious challenger. NIRVANA GOLD (8) took a step forward when finishing third at Fontainebleau last month on her second outing and appears to be improving with experience. NO MORE CHAMPAGNE (5) has also shown plenty of promise and should not be underestimated.

8. LATINO LA NOVERIE - Excellent runner-up in a Class 4 conditions chase at Durtal over 4,000m on 25 October. More is needed to trouble the principles

Summary: HIM MALAYA (4) arrives after two encouraging runs in competitive races at Auteuil over fences. His latest in a Class 1 over this trip in early October. He is given the vote ahead of BELARIA (6), who has an absence to overcome since scoring at Toulouse over hurdles in October 2025. She is a winner twice over fences and can play a lead role with fitness taken on trust. IRADIUS (2) was a credible fourth at this track in a Class 2 chase on November 4 when last seen and merits consideration. SHANNON POWER (5) won three times last year and he will be sharper for a fourth at Durtal last month and looks the best of the remainder.

He can improve further and is marginally preferred ahead of GRECIAN LIGHTNING (4), who scored at Fonatinebleau on October 29 with ease and looks like a smart prospect. MOISE JUNIOR (2) also got the job done on his latest start at Angers in a Class 3 hurdle late last month and can not be discounted. FOSBURY (7) completes the shortlist.

7. FRECKLES - Tad below par in 7th in a Listed Hurdle at Compiegne over 3,600m on 24 October and a win previously at Strasbourg in a Class 2 hurdle in September. Chase debut and he is in the mix

8. PASSIONATA - Two unplaced runs of late, 7th in a claiming hurdle at Compiegne over 3,400m on 1 April when last seen. Second run over fences and others preferred

Summary: MALFOY DE LABRUNIE (6) arrives in excellent form, having won his last two starts, first over hurdles in September before landing a Class 4 chase at Haras du Pin in late October by four lengths. He looks capable of maintaining his winning sequence and holds the strongest claims. MULOUGHBOY (1) is likely to provide the main opposition after performing consistently over fences on his last three outings, including two at this track. FRECKLES (7), already a winner over hurdles, has the scope to make an impact over fences and could get involved. DIMORPHOS (5) is another interesting contender. Lightly raced and still open to improvement, he has plenty of untapped potential despite not having competed since September 2025.

13. OPTIMUS - Well held in 10th in a Listed handicap hurdle at Auteuil over 3,600m on 6 October. Hard to fancy

14. ALHUNTER - Threatening to win and was runner-up in a Listed handicap hurdle at Auteuil over 3,600m on 28 October behind PAREIL PAREIL (8). On better weight terms he can feature

Summary: PAREIL PAREIL (8) arrives in excellent form after securing a convincing three-length victory over 3,600m at this track in a Listed handicap hurdle in late October. Despite a rise in the weights, he looks well placed to follow up and holds strong winning claims. ALHUNTER (14), runner-up in the same race, now benefits from a more favourable weight adjustment and could prove his main danger. SILAWAY (1) deserves respect following a recent course victory in a Class 2 hurdle on October 6, although carrying top weight is a concern. TIGRESS DU BERLAIS (6) finished a respectable sixth behind PAREIL PAREIL (8) last time and can challenge for a place in the first four. RAFFLES PRINCESS (7) is another worth keeping onside.

10. MIGHTYWOOD - Successful in a claiming chase at Nancy over 3,800m on 1 November when last appearing. She can be in the shake-up

Summary: MAGIE DU CHENET (3) looks to have a good opportunity to open her account after finishing runner-up on her last two starts, most recently over 3,600m in a handicap hurdle at this track 17 days ago. She sets the standard and holds strong claims. MAMAZARA (2), sixth in that same contest, is capable of better and deserves consideration as the main danger. JUMBALAYA (9) appeals as an each-way prospect following a creditable second at Fontainebleau in late October and could be involved again. MATIGNON LEON (4) completes the shortlist.

C8 - PRIX PIERRE BIANCONE - 3900m (a2m1/2) - TURF - Class 3 - Hurdles - EUR € 49,000

1. QUEEN SISTER - Absent since a win in a Class 4 conditions chase at Clairefontaine over 3,700m on 5 September 2025, she won before that over hurdles. She warrants close attention and can make her presence felt back over hurdles

2. HARTHUR DES OBEAUX - Two unplaced efforts since a win over 3,900m at Saint-Malo in a Class 3 hurdle on August 18. He has to bounce back to form

3. LOVELY JAP - Recent success at Argentan over 2,500m on 8 November in a conditions flat race. Back over hurdles and she won over 3,500m in November 2025 in a Class 2 event. Live player

6. LOUP DU LARGE - Runner-up in a Class 4 conditions hurdle at Saint Brieuc over 3,800m on 25 October. Place claims

9. LONDON WOOD - Gelding by Ivanhowe, the dam ran twice over hurdles. Some good aspects to his profile and he is a half-brother to a winner over hurdles. Watch the betting patterns for clues

10. LIVERPOOL SIVOLA - Good debut when third in a Class 3 conditions hurdle at Pau over 3,500m on 23 January 2025. Given time he is one to keep safe if the betting vibes are positive back form a long layoff

11. BANDANAS - Three poor runs this year, the latest in a Class 4 race on the flat at Machecoul over 2,350m on November 11. One to overlook

12. MADAME LE MAIRE - Ran 6th in a handicap hurdle at Auteuil over 3,600m on 22 October and no show in four previous runs. Pass over

Summary: LOVELY JAP (3) was a three length winner on the flat at Argentan 13 days ago and the switch back over hurdles should be no issue. She can be too smart for QUEEN SISTER (1), who won her last two races, over hurdles and fences. She has been absent since September 2025 which is a slight concern, but her astute trainer will have her fit enough to be competitive. LOUIS BANBOU (7) shaped well when fourth 15 days ago at Fontainebleau in a Class 3 hurdle and looks like a good option each-way. SIGN OF STARS (5) has been off the track since a pulled up run at Auteuil last March and has placed claims if fit from an eight month layoff.
