2 Najade Quesnoy was heavily backed in the last E3 final and took the lead, but gave up at last and finished unplaced. Quick starter and good chance of finding the lead. Good chance of winning over this short distance. **1 Västerbo Sparkly** does well most of the time and put in a nice finish in the last race. If she gets things right she will pass many horses at last. **5 Hot Lips Art** is a bit up and down but has enough speed. **3 Show Me Heaven** is quite special, but owns good capacity.

6 Neutron Star is clearly the most experienced and toughest horse in this field. Claes Sjöström's horse has galloped twice though, which makes him hard to predict. The capacity is high and he can open fast. Has to be considered. **1 In Fine Fettle** is in fine form and was brave from the outside of the leader in the last race. In the fight for victory. **5 Gauthier** is inexperienced but improving with each race. **10 Pure Games** is interesting together with Magnus A Djuse.

Kind of baptism of fire here but good chance to be the strongest at last. **2 Royaute Boko** opens fast and if Claes Sjöström goes for the lead he will probably be able to do so. Not easy to beat from there over this short distance. **8 Ruby Newport** is perhaps the strongest in this field but needs some luck from the start. **7 Charente Bro** was clearly improved barefoot in the last race.

Will he be allowed to get there? **5 Tennessee H.C.** has been in tough companies most of the time and become stronger. **8 Vancouver Tile** was really strong in the last race. Better opposition now and these conditions are difficult. Possible anyway.
