Has won ten of 22 starts and is coming off a win in a bigger race. 40 meter handicap but this small field is a clear advantage. Early choice. **4 Hafell Vår** was second from the lead in the last race and will probably go for that position again. Contender in that case. **5 Veslas Mulan** has won two out of ten races this year which is really good for this company. Finished alright to a fifth place in the last race.

Early choice behind our top duo. **2 Emil H.I.** is gifted but wasn't at his best last time and has got a break. A bit hard to predict but he is good for this class.
