C1 - PRIX MAURICE THEVENON - 2700m (a1m1/2) - Amateur Drivers - Harness - EUR € 15,000

1. KARINA JOSSELYN - Surprise fourth in Class F Amateurs' semi-final over course and distance on 12 November. A repeat, however, seems improbable

2. IDUNN - Finished 6th in Class F Amateurs' semi-final over course and distance on 12 November. Is some way off her best form and can be passed over

3. INTRIGUE DE VIETTE - Ran 6th in Class F Amateurs' semi-final over course and distance on 12 November but will need to be particularly sharp this time around

4. KIMI DU DOME - Ran 7th in Class F Amateurs' semi-final over course and distance on 12 November. Endured considerable misfortune that day but has nothing to prove under these conditions, and Maxime Dugeard will be eager to make amends

5. JOYAU DU GRESSY - Fifth in Class F Amateurs' semi-final over course and distance on 12 November. Will not be available at 60-1 this time but will not be as competitive either

6. GIORGIO DU VIVIER - Got back in the game when third in Class F Amateurs' semi-final over course and distance on 12 November. Goes barefoot this time and cannot be discounted

7. IMAGINE GIRL - Third in Class F Amateurs' semi-final over course and distance on 12 November. Met interference early that day, but can put things right if Arthur Raffin keeps her out of harm's way

8. KRONOS D'ERPION - Won Class F Amateurs' semi-final over course and distance on 12 November. Is not the most reliable but is clearly in form, races barefoot for the occasion, and must be taken more seriously

9. KLARCK DE VANDEL - Fifth in Class F Amateurs' semi-final over course and distance on 12 November. Tends to prefer a more even surface, but is plainly in shape and must be afforded respect

10. JOCONDE DE RHEVE - Finished 2nd in Class F Amateurs' semi-final over course and distance on 12 November, confirming her Chartres performance, but has more to find on this occasion

11. JUNON DES ROSES - Won Class F Amateurs' semi-final over course and distance on 12 November. Is very hard to fault at this level and is one of the many in with a decent shout

12. HOKITOLOVE - Finished 7th in Class F Amateurs' semi-final over course and distance on 12 November and is once again biting off more than he can chew

13. ILLINOIS - Runner-up in Class F Amateurs' semi-final over course and distance on 12 November. Goes barefoot and should be good enough to get his head in front this time

14. JAB KISS - Unlucky 8th in Class F Amateurs' semi-final over course and distance on 12 November. Is more competitively shod this time and Sébastien Dewulf will be keen to set the record straight

Summary: It is difficult to choose between the wonderfully consistent ILLINOIS (13), who will be racing barefoot for the first time this winter, JAB KISS (14), reconfigured, and KIMI DU DOME (4), neither of which was particularly lucky here on 12 November, and that day's winner KRONOS D'ERPION (8) who will be barefoot this time.

C2 - PRIX DES HIPPODROMES DU MORBIHAN - 2100m (a1m1/4) - - Harness - EUR € 35,000

1. MAMOUNIA SEVEN - Disqualified in a Class E over course and distance on 3 November. Is better than recent figures would imply, and with application, can challenge for the win

2. MISS DE LA FERME - Unplaced in a Class D over 2,700m here on 10 November. Has been out of sorts over recent weeks and will have nothing to offer

3. MATA HARI - Starts for the first time since finishing 10th in a 2850m Carentan Class D in mid-August and is going to need the race

4. MA AM CHENU - Finished 10th, when being conditioned, in a Class B at Nantes over 3,000m on 4 November. Is in race mode this time and will be no pushover if Eric Raffin manages to keep her mind on the job

5. MA COPINE FLAC - Ran 9th on re-entry over 2,840m at Mons in Belgium on 3 September. Is useful on a good day, will be shod to preference, but looks a minor place prospect at best

6. MOANA MESLOISE - Finished 6th in a Class D over 2,700m here on 10 November. Is never the easiest of horses to use, but will be barefoot for the occasion and, with application, can play a prominent part

7. MAYA D'AVRIL - Unplaced in a Class D conditioner over 2,175m here on 20 October. Races barefoot for the first time and could pleasantly surprise

8. MANON DU CHENE - Finished 4th in a Class D at Cabourg over 2,750m on 24 October. Is seldom seen racing left-handed, though, and is not an obvious choice

9. MY DARLING HAUFOR - Finished 4th in a Class E over course and distance on 3 November. Will be fully fit by now and, despite the wide draw, still looks capable of winning this

10. MOSTRA DU TRIO - Third in a Class D over 2,700m here on 27 October. Is clearly in form but has pulled a tough number, and in this company is unlikely to create an upset

11. MADRILENE - Unplaced in a Class E at Lyon-Parilly over 2,600m on 13 November. Has done nothing noteworthy for almost a year and is not about to begin now

12. MI CASA - Fifth in a Class E over course and distance on 3 November. Is not a priority but appears to have taken well to racing with four pads and will have her supporters

13. MARVELOUS PIYA - Disqualified in a Class D at Cabourg over 2,050m on 14 August. Has not been seen out since, but sports a new shoeing profile and, on good behaviour, can finish in the mix

14. MULANE DU BOCAGE - Second in a Claimer over 2,850m here on 27 October. In this category, though, a repeat seems unlikely

Summary: MY DARLING HAUFOR (9), poorly-drawn but in form, a freshly-barefoot MAMOUNIA SEVEN (1), who gave a good account following an early disqualification last time, MOANA MESLOISE (6), who will be dangerous if focused, and MA AM CHENU (4), barefoot after three conditioners, all look capable of fighting for the leading places.

C3 - PRIX D'HARFLEUR - 2100m (a1m1/4) - - Harness - EUR € 53,000

1. LOVE GLYCINES - Ran 6th in a Class A at Argentan over 2,875m on 31 October, his second start back, and looks to have his work cut out

2. LEZZO FIGHTER - Unplaced in a Class B conditioner at Chartres over 2,800m on 15 October. Is clearly in competition mode this time and has every chance of imposing

3. LORD TURGOT - Finished 2nd in a Class C at Laval over 2,850m on 1 November, when reunited with his handler. Is nicely-positioned on the front line and can play a leading role

4. L'AMOUR SUPREME - Finished 5th in a Class B at Nantes over 3,000m on 4 November, when preparing for this. Excels when barefoot and looks the leading danger to stablemate LEZZO FIGHTER (2)

5. LUCKY MESLOIS - Runner-up in a Class D at Châtelaillon over 2,625m on 8 November, a month after having won over 2850m here, and must be afforded respect

6. LIMO DE MER - Fifth in a Class C over course and distance on 23 October. Has a particular liking for these shorter trips and, from the front row, can give this a good go

7. LOVING DREAM - Was unable to confirm September victory when unplaced in a 2875m Argentan Class A three weeks ago, but should not be too harshly-judged and can be brought back into the fold

8. LOCO FLIGNY - Won a Class C over 2,700m here on 29 October but races shod this time and will have other priorities

9. LE RETOUR VRIE - Second in a Class C over course and distance on 23 October, his first objective of the season, but may just be taking on too much this time

10. LETIKALIN - Victorious in a Class A at Le Croisé-Laroche over 2,825m on 8 November. Is unlikely to repeat, but with form maintained, can get a look in

11. LORIGRE - Unplaced in a Class D under these conditions on 24 August. Has not been seen since and has no possible chance

12. LOQUIDY - Has not been seen out since finishing 4th in a Class C over 2,700m here on 18 September, but is patently in race-mode and will be expected to finish in the mix

13. LEXCELLENT DU METZ - Finished 3rd in a Class D at Châtelaillon over 2,625m on 8 November. Placed over longer here in September but the draw will do him no favours

14. LAGNU MAG - Starts for the first time since finishing unplaced in a Class B at Le Croisé-Laroche over 2,825m on 14 September and can be passed over

15. LIBERATOR PHEDO - Victorious in a monté Class D over 2,700m here on 6 October. Races shod, and will have other plans

Summary: Thierry Duvaldestin has a strong hand with LEZZO FIGHTER (2), barefoot and superbly-engaged, and a similarly barefoot L'AMOUR SUPREME (4), who has a realistic shout of picking up this winter where he left off last April. Excellent in his last two starts under these conditions, LORD TURGOT (3) is also in race-mode and can give them plenty to think about, along with LUCKY MESLOIS (5), who is clearly back at the top of his game.

C4 - PRIX DE BRETAGNE-AMERIQUE RACES Q1 - 2700m (a1m1/2) - - Harness - EUR € 120,000

1. KUIPER - Swedish element returning to France after prepping successfully at Bergsåker late last month. Won a Group 3 here last year, and barefoot this time merits considerable respect

2. HORATIUS D'ELA - Disqualified in a Group III over 2,850m here on 14 November. Has done nothing of note since June and is unlikely to start now

3. JEANNETTE PRIORY - Third in a Group II at Toulouse over 2,750m on 21 October. Is arguably better racing right-handed but has merit, is in form, and will have her supporters

4. KING OPERA - Ran 6th in a Group III over 2,850m here on 14 November. Is out of his depth at this level and would arguably be preferred on turf

5. KANTO AVIS - Successful in a Class A at Laval over 2,850m on 1 November, confirming his Toulouse success, but may just be taking on too much this time

6. HARMONY DU RABUTIN - Ran 7th in a Group III over 2,850m here on 29 October. Was unlucky, but most impressive, in the last Prix d'Amérique, and barefoot for the occasion cannot be discounted

7. HARLEY GEMA - Finished 2nd in a Group III at Vincennes over 2,850m on 29 October, somewhat making up for her Turin disqualification, but still has too much to do

8. KEEP GOING - Should not be too hastily judged for finishing eighth in 2840m Grand Prix de Wallonie at Mons on 19 September. Comes here fresh and will have a lot to offer if he can replicate his Prix d'Europe performance

9. LIONHEART - Unplaced in a Group II over 2,100m here on 12 November, his first start back. Shoes on once more and will pose no threat

10. FREE TIME JEPSON - Victorious in Group I Gran Premio delle Nazioni at San Siro over 2,100m on 1 November. Has nothing to prove at this level, or at the venue, and can again finish close

11. IDEAL LIGNERIES - Finished 11th in Group I Gran Premio delle Nazioni at San Siro over 2,100m on 1 November. Is confirmed at Group 2 level, but in this company, will need to find more

12. LOMBOK JIEL - Finished 2nd to FRANK GIO (16) in a Group II over 2,100m here on 12 November. Sprang something of a surprise that day and will generate more interest this time around

13. KRACK TIME ATOUT - Finished 5th in a Group III at Vincennes over 2,850m on 29 October, 2.5 weeks after having run fifth in the Group 1 UET Elite Circuit Finale, and should not be written off

14. INMAROSA - Tenacious winner of a Group III over 2,850m here on 29 October. Already has three Prix d'Amérique runs under her belt, and qualifying once more is well within her capability

15. BORUPS VICTORY - Eight-time Group 1 winner returning to Vincennes after having prepared convincingly at Gävle on 17 October. Finished third in this race 12 months ago and has a realistic chance of making the frame once again

16. FRANK GIO - Comfortable winner of a Group II over 2,100m here on 12 November. Comes here on a hat-trick and should logically take all the beating

17. HOKKAIDO JIEL - Runner-up at Mons over 2,300m on 3 November, his first appearance since May. Is still being conditioned and best to keep one's powder dry

18. HOOKER BERRY - Third in Grade I Yonkers International over 2,011m on 12 September. Has not been seen out since and will not be overextended

Summary: FRANK GIO (16) arrives on the back of two impressive victories, the Gr.1 UET Final and the Gr.2 Prix Marcel Laurent. Somewhat unlucky fourth in the last Prix d'Amérique, he looks the one to beat. BORUPS VICTORY (15) made a favourable impression in the 2025 edition. He has since won the Gr.1 Grand Prix d'Oslo and heads the opposition alongside a freshly-barefoot FREE TIME JEPSON (10) who was hugely impressive in the Gr.1 Gran Premio delle Nazioni in Milan. KEEP GOING (8), who caught the eye behind Inexess Bleu in the Gr.2 Prix Jean-Luc Lagardère, is in with a decent shout of qualifying for the big race, as is INMAROSA (14) who won a Group 3 here late last month.

C5 - PRIX HORSE GP (PRIX DE BOISSY-SAINT-LEGER) - 2100m (a1m1/4) - - Harness - EUR € 80,000

1. FAR WEST BI - Made up for September disqualification when third in a Class A at Laval over 2,850m on 1 November. Did not enjoy the best of trips that day but form is not in question and should be good enough to make the first five

2. LAROZE DU GERS - Was unable to pull off the hat-trick when disqualified in a Class A at Laval over 2,850m on 1 November. Is patently in fine form, though, and from the two slot will be no soft touch

3. GOLDEN GIO - Has not been seen out since being disqualified in a Class A under these conditions on 25 September. Is quite evidently in race mode for comeback and Eric Raffin will be determined to put things right. Chance

4. LALUNA DES FORGES - Finished 4th to LAROZE DU GERS (2) in a Group III over 2,700m here on 23 October. Has hardly put a foot wrong lately and can again finish close

5. LORD DELO - Complicated but talented individual that won a Class D at Lyon-Parilly over 2,850m on 13 November. Will be reunited with Jean-Michel Bazire who will be understandably confident of completing the double

6. LITTLE BROWN - Ran 7th in a Group III at Vincennes over 2,700m on 23 October. Is capable on a good day but first needs to reaffirm

7. MONZON NORMAND - Honest colt that finished fifth in a Group III over 2,700m here on 23 October. Has yet to fully deliver on his promise, but is still good enough to pick up some prizemoney

8. LEMON TREE - Finished 8th in a Class A at Laval over 2,850m on 1 November, a fortnight after having run third in a Class B at Les Sables-d'Olonne. Goes barefoot this time but is still not an obvious choice

9. L'AMOURPOURBLANCA - Disappointing 8th in a 2,850m class A here in early-September. Has not been seen out since, will be shod for the occasion, and will have nothing to offer

10. OMERTA BOKO - Successful at Mons over 2,840m on 24 October. Is a Group 2 winner, will be barefoot this time, but still has more to find

11. LILY DE L'AUNAY - Finished 4th in a Class B over 2,700m here on 5 November. Won over course and distance on her previous start but will be fitted with shoes this time and best to hold off

12. LEONARDO VICI - Finished 13th in a Class B at Chartres over 2,800m on 15 October. Has buckets of talent but is still being freshened up, and others easier to back

13. LIZZANO D'ALOUETTE - Makes his first appearance since finishing unplaced in Group I Criterium des 5 Ans over 2,850m here on 12 September. Shoes fitted and no danger

14. LUTIN VENESI - Finished 6th in a Class A over 2,850m here on 5 September. Shoes on this time and is not a concern

Summary: LORD DELO (5), shod as he was when victorious at Lyon nine days ago, LAROZE DU GERS (2), who must imperatively be brought back into the fold, and GOLDEN GIO (3), most unlucky on 25 September, will be expected to fight out the finish. Well-positioned behind the car, LALUNA DES FORGES (4) is not one to be overlooked.

C6 - PRIX PIERRE PLAZEN - 2700m (a1m1/2) - - Harness - EUR € 120,000

1. ISMAELE - Has been fitted with a new shoeing profile after being disqualified in a Group 3 over course and distance 10 days ago, but still has little to contribute

2. ICE GIO - Ran third, on French debut, in a 2100m Class B here early last month. Has been fitted with four pads this time, but is still not an obvious choice

3. ICEBERG BI - Won a Group 3 over course and distance 10 days ago, only to be disqualified. Takes on some better horses this time, but with application, should nevertheless hold his own

4. NON STOP DE FOOT - Finished 10th in a Group III at Vincennes over 2,700m on 12 November. Is better than the result would suggest, but is still not a concern

5. NOBEL SPEED - Finished 5th in a Group III under these conditions on 12 November. Has hardly put a foot wrong since the summer and can again figure prominently

6. US DARBY - Won three on the trot in Belgium before running seventh in a Group 3 over course and distance 10 days ago, and will have more to find

7. NOT THIS TIME - Finished 4th to NOBEL DU RIB (11) in a Group II over 2,175m here on 23 October. Has been fitted with pads for the first time and, while not a priority, will nevertheless have come on for the race and should not be written off

8. NOVECENTO - Disqualified in a Group II over 2,175m here on 23 October, when challenging for second place. With application, though, can make amends

9. NOB HILL - Third in a Class B at Laval over 2,850m on 1 November. Ran third in a Group 3 under these conditions, the last time in the day's configuration, and will legitimately garner significant support

10. NELSON EMGE - Finished 2nd in a Class B at Nantes over 3,000m on 4 November, 12 days after running second to NOBEL DU RIB (11) in a 2,175m Group 2 here. Is not about to win this, but should nevertheless finish in the mix

11. NOBEL DU RIB - Made short work of a Group II over 2,175m here on 23 October. Comes here on a hat-trick and, with form maintained, can pull it off

12. NEO DE JOUDES - Serious colt making first appearance since running unlucky fourth in the Group I Critérium des 3 Ans under these conditions on 12 September, and the new shoeing profile may be just what the doctor ordered. Chance

Summary: NOBEL DU RIB (11), authoritative winner of the Group 2 Prix Victor Regis, a freshly re-shod NEO DE JOUDES (12), who was denied a run in the Gr.1 Critérium des 3 Ans, and NOB HILL (9), in shape and competitively shod, are preferred to NOVECENTO (8), who was unlucky in the race of reference.

C7 - PRIX DE COSSE LE VIVIEN - 2100m (a1m1/4) - - Harness - EUR € 68,000

1. EDIBEAR - Makes just second start south of Scandinavia after running fifth over 2,140m at Halmstad three weeks ago, but still has more to find

2. KELLE BEAUTE - Runner-up in a Group III at Nantes over 3,000m on 4 November. Appears to be back on the right road and, with form maintained, can give this a good go. Place chance

3. JIPET DE CREPIN - Convincing winner of a Class C over 2,700m here on 29 October. Has won three of five with Eric Raffin in the bike and has a realistic shot at securing another victory

4. INSHOT JOSSELYN - Unplaced in a Class D Apprentices' race over 2,850m here on 2 November. Tends to show more on turf, though, and chances appear limited

5. IMAGE D'ATALANTE - Finished 6th in a Class B over course and distance on 3 November. Has not got her head in front for some time, but consistently gives her best and is unlikely to go home empty-handed

6. JOJO TOONS - Was by no means disgraced when sixth in a 2,700m Class C here on 17 September. Is clearly in race mode and is not incapable of picking up minor honours

7. LAREDO BOKO - Should not be too quickly-condemned for finishing 10th over 2,640m at Jägersro a month ago. Has never delivered at Vincennes, but is considerably more experienced now and is worth considering a decent first-five prospect

8. KIKA JOSSELYN - Finished 7th in a Class A over 2,700m here on 29 October. Benefits from racing barefoot for the first time, and Benjamin Rochard can be justifiably confident of a big performance. Claim

9. KISS ME HONEY - Unplaced in a Class A over 2,700m here on 29 October. Has looked rather ordinary since the summer and will have few takers

10. ISIS D'HERFRAIE - Finished 9th in a Class D under these conditions on 5 November. Has done nothing of note for some time and can be confidently passed over

11. KNOCKONWOOD - Disqualified in a Class D over 2,700m here on 12 November. Is seldom far from losing his action, but caught the eye here 10 days ago and, with Mathieu Mottier reining, should not be underestimated

12. KILGORE - Starts for the first time since running second in a 2525m Cavaillon Class D last April and is going to need the race

13. PANTOCRATOR - Starts for the first time since finishing second in a Class D at Cabourg over 2,750m on 21 August. Is barefoot for the occasion, though, and can pick up some prizemoney if Paul Ploquin successfully negotiates the start

14. JOLLY CHIC - Returns to the harness code after running second in a 2700m monté Class C here early this month. Shoes fitted and no threat

Summary: KIKA JOSSELYN (8), drawn wide but first time barefoot, and JIPET DE CREPIN (3), reunited with Eric Raffin who thrives with him, are tempting options ahead of KNOCKONWOOD (11), who should not be too hastily-condemned for recent results, and KELLE BEAUTE (2), in form and starting on the front line.

1. NAFI DE REVE D'OR - Finished 5th in a Group III over course and distance on 12 November. Sports four pads for the occasion and should again make her presence felt

2. NOIRE INTENSE - Finished 4th in a Group III over course and distance on 12 November, almost a month after having won a Class A under similar conditions, but is out of her depth this time around

3. NACRE DU MOUTHIEUX - Runner-up in a Group III over course and distance on 12 November, but at this level is being aimed too high

4. NIKKI BEACH JISCE - Finished 3rd in a Group III over track and trip on 12 November. Seldom puts a foot out of line, but looks more a minor place prospect on this occasion

5. NIKITA - Third in 2,175m Group II Prix Uranie here on 23 October. Is consistently in the thick of things when focused and unlikely to be far off the mark

6. NYASSA DAXEL - Runner-up NAYA D'ERONVILLE (9) in 2,175m Group II Prix Uranie here on 23 October. Has defied her odds on numerous occasions in 2026 and it is about time she were taken more seriously

7. NOELA JOSSELYN - Disqualified in a Group II over course and distance on 2 November. Has been off the boil over recent months and will first need to reaffirm

8. ISCHIA JOY - Returns to France after some encouraging results at home in Italy. Has never delivered at Vincennes though and is unlikely to this time either

9. NAYA D'ERONVILLE - Made it five in a row when comfortably winning the 2,175m Group II Prix Uranie here on 23 October and will be understandably well-backed to make it six on the trot

10. NORMANDIE NIEMEN - Finished 10th in 2,175m Group II Prix Uranie here on 23 October. Was not the most fortunate that day, but can make amends if David Thomain gets her off on the right foot

11. NOCIVE DU CHOQUEL - Disqualified in 2,175m Group II Prix Uranie here on 23 October, but did run second to NAYA D'ERONVILLE (9) in the Critérium des 3 Ans and, with application, can give her a run for her money

Summary: Winner of the Critérium des 3 Ans, NAYA D'ERONVILLE (9) brilliantly confirmed her new status as the leading filly of her generation when subsequently landing the Gr.2 Prix Uranie, and will be expected to bring home the bacon. That being said, NOCIVE DU CHOQUEL (11), is already a Group 1 winner, is in form, and heads the opposition alongside the capricious but brilliant NORMANDIE NIEMEN (10), and NYASSA DAXEL (6) who recently finished runner-up to our selection.

1. LOVELY DES BROUETS - Third in a Class F over 2,100m here on 3 November. Can prove a handful, but did win under these conditions earlier in the year and cannot be discounted

2. LADY DU VALLON - Ran 6th in a Class F at Laval over 2,850m on 7 November. Is never easy to gauge, but is hard to fault when in shape and has a respectable chance of picking up a first-five payout

3. LEGENDE D'EOLE - Ran 6th in a Class F Apprentices' race at Chartres over 2,825m on 15 November. Is undeniably capable, but latest numbers do little to inspire confidence

4. LILYROSE WIND - Fifth in a Class C at Laval over 2,850m on 1 November. Appears to be back on track, and races barefoot this time, but will still need to find more

5. LUNA PARK - Finished 7th in a Class D at Enghien over 2,875m on 7 October. At this level, though, will have nothing to contribute

6. LIBERTY PIYA - Has been disqualified in 3 consecutive starts, the latest a Class D at Enghien over 2,150m on 10 August. Has no shortage of ability, though, will have work under her belt, and with application will be dangerous

7. LUDIVINE DE BAILLY - Third in a Class F Apprentices' race at Chartres over 2,825m on 15 November. Is unlikely to repeat but will not be available at 27-1 this time

8. LADY D'ECAJEUL - Disqualified in a Class F Apprentices' race at Chartres over 2,825m on 15 November, just under three weeks after having run second in a Lyon-Parilly Class E, but others still easier to support

9. LUTECE D'OUVILLE - Runner-up in last two, most recently a Class E at Enghien over 2,875m on 8 October. Is unlikely to win this but still has the capability to make the frame

10. LILI DES ORMES - Unplaced in a Class D at Graignes over 2,725m on 29 October. Is not devoid of ability, will be barefoot for the occasion, and it is only a matter of time before she gets back in the game

11. LORA SCOTIA - Finished 10th in a Class C at Laval over 2,850m on 1 November. Is shod as she was when victorious at Saint-Brieuc earlier in the year and must be considered a serious proposition

12. LATINA TOURNIBOIS - Returns to France after running fifth over 2,300m at Mons a month ago and, even though barefoot, will still need to be at the top of her game

13. LITTLE ROAD - Finished 4th in a Class E over course and distance on 6 November, a fortnight after running second in a Cabourg Class E, and in her new configuration can get straight down to business

Summary: LITTLE ROAD (13), close to her race and sporting a fresh profile for the occasion, and LORA SCOTIA (11), shod to preference for her first objective of the winter, are the two to watch. The complicated LIBERTY PIYA (6) makes her first appearance since August but clearly means business, and together with LUTECE D'OUVILLE (9) can put up considerable resistance.
