1 Blank has a perfect task to lead all the way. He was strong in the heat and final of the Kungapokalen but galloped in a fast opening in the Sprintermästaren. Banker. **5 Omega River** won the Kriteriet last year and is probably just as good as our pick but he is focused on the Derby and not at his best yet. Kept up the pace well in the last race. **2 Jaguar Godiva** was improved with a new bridle in the last race and followed well from first over. **7 Eol** is gifted too but has not impressed yet this season.

3 Epiphany Face is a full sibling to Bold Face and has started his career promisingly. Comfortable win from the front in the last race, repeat here? **11 Lugnets Ametrin** is also quite used to win. Is not as good from behind though and this lane is a question mark. Shoes again is a plus. **6 Good Old Times** has shown speed before and is making his first start in the northern part of Sweden. The reports are good. **7 Greta S.E.** is one of many horses in this field that has never won a race, but she owns pretty good speed.
