4 Irons is our pick here. He won four of ten races last year and comes from a second place ahead of several of today's opponents.

1 Leonardus is the only horse in the first circle and has an exciting task. He is coming from victory and can lead the race for a long time.

3 Ossie Artist is coming off two wins in a row. Won a bit surprisingly in the last race and should not be overlooked again. Has to be considered too here. **7 Jolin Southwind** won four of 14 races last year. Still without victory this season but has done well and is coming off a second place in a slightly tougher race.

8 Vilje Odin has started really well with three wins and two second places in six starts. He is poorly drawn but should have a good chance of taking another win. **7 Alm Romeo** is a good opponent. He has already taken five wins this year and earned the most money. He scored a good win two starts back and is an early choice with a similar effort. **6 Kvern Kvikk** is consistent and good and with a bit of luck he could surprise if our top duo is not at their best. **9 Kabru Lyn Ett** is also very consistent but has not won yet after 26 attempts. Could get a nice defensive trip and cause an upset.

3 Vincent Sun was second as a mega favorite two starts back but has only won otherwise. Made a big impression in the last race and seems in top form. Very good chance to win. **7 Oh Mein Papa** is clearly better than the latest results show. He won four races last season and should be considered behind our favorite even though he faces quite tough conditions money-wise. **2 Barolo** comes from a second place and seems in good form. Has a nice number and could be a place bet. **6 Speedy Canepa** has not scored a place yet this year but had a decent season last year. He is a place bet too.

4 Happy So Easy is our idea. He was fourth in the last race behind some of today's opponents but has a 20 meter advantage now and that is exciting. **7 Rönnerdahl** won the last race and beat some of today's opponents and should have a good chance again. He has clearly earned the most money this year. Very early choice. **6 Avonaco** was third behind Rönnerdahl in the last race and is looking for revenge. Consistent and good and has to be considered. **5 Velten Swarovski** has earned by far the most money so far and faces good conditions. Has not scored a place yet this year though and his form is a bit of a question mark.

4 Mjölner Flaksen has won eleven of 26 races and is making a very exciting comeback. May need this race to find top form but should be considered straight away. **5 Börtveit Rambo** comes from a tougher race but had shown good form before that. One of many contenders in an open race. **9 Ros Venn** took six wins in 18 starts last year. He won last time ahead of Kuven Lennart and seems in good form. Tricky number. **6 Kuven Lennart** had no chance in a tougher race last time but finished second behind Ros Venn two starts back and is looking for revenge. However, he has not won yet this season after 17 starts.

8 Lyckans Starlet won straight away in the last race after a layoff and beat several of today's opponents. Should be even better now. A bit tricky number but our winner. **3 Beauty** finished well to a second place behind Lyckans Starlet in the last race but beat several of today's opponents too. Looking for revenge. **9 Linday Invalley** is good for this field but has not raced since the end of May. Possible straight away if well prepared. **5 Sole Volo** galloped last time and has not won yet this year. However, he won four out of ten races last season and should not be forgotten.
