2 Sherburne S. has done quite well since she came to Christoffer Eriksson. She is not completely reliable, but owns good speed for this class. Good chance. **9 Nobby Stiles N.O.** is a stable companion to our pick. Was not good at all in the last race, but can do much better than that. **7 S.G.'s Shy Poet** has done well a bit behind the winner most of the time but been a bit unlucky too. Barefoot now. **8 Grignolino Roc** makes his first start for trainer Tomas Malmqvist.

Should be able to take the lead here. **2 Mcllroy** has good potential, which he also showed three races ago. **6 Victor Flax** is speedy but a bit special.

7 Calmin has started his career well and is undefeated without a mistake after four starts. He is one out of two horses that stand out. **5 Northern Lights** is strong and tough in every way. Shows the right attitude and in this company he should have a good chance if avoiding a mistake. Barefoot on a Love You-horse is super interesting. **4 Camelia** opens fast and will reach a good position. Should not be completely overlooked. **10 Kiss The Teacher** is consistent and good. Needs some racing luck from here.

1 Mondo Diablo has only made three starts this year but done really well. Should start fast and if he manages to hold the lead, which is the main scenario, he should have a good chance of winning. **2 Kit Kat Mearas** might have the best capacity and is going down in class compared to the last race, but the horse has not started for 1.5 months. **6 Listas Champagne** competes barefoot and has good potential. **7 Armand Dee** has shown good shape a bit behind the winner lately and is a contender if the favorite would fail.
