RANK

6 Valle Kodin has won nine out of eleven races. Was a big favorite last time but galloped. Made a big mistake but came back really well. Chases revenge. Good chance. **4 Tustna Faksen** won surprisingly in the last race ahead of Valle Kodin after a nice inside journey. Is well drawn and should be considered early. **7 B.B. Pave Flax** has won seven of 18 races and faced tougher horses than these. Galloped twice in the last comeback race and got locked in at the end. Run under his belt now. **10 Holter Sjur** has won three of seven races this year and been consistent and good at the end. Needs a bit of luck from this lane.

8 He Dares The Devil has won three of four races recently. Coming off a win in a bigger race and will face easier horses this time. Has a difficult lane. Good chance anyway. **10 Comedy** faces tough conditions money-wise but has won five of eleven races this year. Was second in the last bigger race and was only closely defeated. Early choice despite this lane. **9 Elton Rags** has been consistent and good at the end without winning. Got locked in with energy left as fourth two starts back. **5 Nezza Caviar** won very easily two starts back and never really got a chance in the last race. Good lane and at least an outsider.

10 Lester Green has taken three wins and three second places in nine starts this year. Was clearly defeated as second last time but beat several of today's opponents. Good chance despite this number. **4 Elysian Face** has won four of 14 races and won last time after several poor results. On the way up and early choice from a good lane. **11 Golden Rags** was superior two starts back and has also put in consistent and good performances. Needs some racing luck from this lane but should be considered. **3 Mountain Star** is still waiting for his first win after 19 attempts. He is not that bad and could surprise. Good lane.

3 Duflot earned the most money last year and has already won three times this season. Early mistake as a big favorite last time and looking for revenge. Good number and our winner. **6 Walker** has earned the most money this year and scored several good results. With the right trip we think she is in the fight for victory. **9 Lindysintermingle** has finished really well at the end without winning. Needs a bit of luck from here and hopes for quick pace. In that case he is an early choice. **8 Foreign Affairs** galloped one lap from the finish in the last race but finished very strongly. Seems in good form and is a nice outsider despite this bad lane.
