6 Peek a Boo Poof was unplaced here in Boden last time, but had some problems along the way and the horse looked nice a bit behind the winner. Our pick in an open race. **11 Grove's Maple Poof** sprinted brilliantly to a fifth place in a heat for the Derby for fillies. Dangerous with a nice trip from behind, but shoes this time is not an advantage. **4 Backwood Fiona** was very good in the lead over the same distance two starts back. Early choice. **7 Rosi Tooma** has to travel far but benefits from the short distance. Should not be overlooked.

3 General Silvio should be improved by a run under his belt and is really good for this class. He is the favorite for the lead here and the horse to beat from the front! **7 Robinhood C.A.** finished brilliantly from far behind when he came in as tenth in the last race at Bergsåker. Very early contender! **5 Barolo Gene** owns high potential, but has not been at his best this year. Should be considered. **10 Ja Ba Da Ba Doooo** was closely behind Robinhood C.A. in the last race but had got a better trip.

6 Handsome Hero has scored a couple of very good wins. Looks like he has a nice chance of taking the lead after a while and will be hard to beat from there! **8 Chianti L.A.** beat both Handsome Hero and Highlight Gogo two starts back. Galloped last time, but is still an early choice. **7 Epicure U.S.** finished strongly as third in a tougher race last time and has shown a high minimum level. Should be considered. **9 Highlight Gogo** followed well as second from the lead last time, when he only got defeated by Chianti L.A.

3 Eldbrand makes his debut for Christian Månsson and faces very nice conditions. Our winner. **1 Risågel** is strong and tough and uses to put in good efforts. Should be considered early regardless of journey. **8 Ivarsviking** likes the short distance and is a good horse for this company. Needs some racing luck and could be dangerous in that case. **9 Tangen Tore** comes from victory and is in good form. Mika Forss up is a big advantage. Should not be overlooked here.

1 Ajamaja is the favorite for the lead and won in her only attempts from the front. Good chance to win together with Ohlsson. **6 Galleon** won straight away in the debut for a new trainer and he has a good reputation. Will certainly be successful in the northern part of Sweden and should be considered early. **7 Fantasy Boy** is used to win and has got an interesting lane. Early choice. **2 Gemero de Mayo** is up and down but this driver is an advantage and the horse will probably race barefoot now.

14 Jean Crowe is not reliable, but a very good horse for this context. Passes all opponents with the right journey from behind. **4 Chariots of Fire** has started promisingly and won his comeback last time after a long absence. Should be improved and has to be considered early here. **10 Loaded Lolita Sisu** has put in good efforts all the time and likes to be driven by Ove A Lindqvist. Can win this race in several ways. **1 Born Duke Boko** has started well and is getting a bit better with each start. Possible but needs some racing luck.
