1 Ultimate Tile made an early mistake in his debut, but finished well a bit behind the winner. Nice number and good chances of winning. **3 Calgary Ann E.** looked nice in the qualifier. Good starting position and the mare is one of several horses that can win this race. **5 Golden Arrow** is making his first start and is clearly hard to predict like many of his rivals. In the mix. **8 I Play Picked** did alright in the qualifier. Starts behind a good horse and with an opening at the end she can surprise.

1 Hole Texa galloped on the way to the lead in the last race. Good chance to reach the front now and if she just avoids a mistake all the way, she could score her first career win here. **4 Mörtvedt Lexi** showed a good time in the qualifier but is clearly hard to predict. The mare is one of several horses that can win this race. **5 Borknyxa** looked nice in the qualifier and if she can improve that time, she has to be considered. **3 Kringlers Sigyn** did not convince as heavily backed in her debut. The mare can do better than that and should be followed.

2 Illefin came back well in the last race after a gallop. Has earlier scored a couple of good second spots and is in fine form today. Quick starter and can lead this all the way. **1 Temse Snella** is ideally drawn and is guaranteed a good position. Will pass many opponents with the right journey. **4 Garp Best** is the only horse to have won a race. He is strong and will fight for victory if he avoids a mistake. **5 Lille Laila** has not won yet in 39 starts but is now facing her best task in a long time. Normally in the fight for victory.

4 Hage Balder did well under the saddle three starts back on a tough surface. Has six wins this year and it could easily be seven. Our pick. **7 Ofelia** won under the saddle at Jarlsberg in August and normally challenges for victory with a similar effort. **2 Odetta** was second behind Ofelia when they last met, but will have a hard time to take revenge - and should primarily be seen as a place bet. **6 Töfrå Ö.K.** has not convinced lately and is also mainly a place bet.

3 Herlig Oda is a quick starter and normally takes the lead and from that position the five-year-old mare will not be easy to defeat. **6 Finnskog Rezer** owns good speed but can easily gallop. Will challenge if he avoids a mistake even though he probably prefers the short distance. **2 Jega Bollis** did alright last time after a layoff and will be improved to this race. Early choice behind the favorite. **5 G.L.M.Mije** finished well in the last race and is a contender with the right trip from behind.

1 Bob Wiking should have a good chance to hold the lead. Faces nice conditions and could score the third victory of this year. **8 Lilli Kentucky S.F.** won an easy race last time but still made a good impression. On the way up and will definitely be in the fight for victory. **6 Gaagaalicious** has sprinted well a bit behind the winner at the end and is in better form than the results show. In the mix. **5 Keep The Faith** comes back after a pause and has also been scratch before this race. Owns nice speed but is hard to predict.
